PROGRAM

As her first program, Jane Brecht has arranged for Ernest and Elsie Hetherington of the Fred A. Stewart Company to present:

"A GARDEN STUDY TOUR OF THE PEOPLE'S REPUBLIC OF CHINA"

The program will consist of garden scenes, points of interest, including the Great Wall of China, photographic studies of the Chinese people and how they live, and Orchids, too.

Ernest and Elsie are talented photographers and this program covering their trip taken in October, 1979 is a rare treat for our Society.

PLANT TABLE

Plants for the table will be furnished by Stewart's. The quality of the plants they bring is always excellent.

Donations for the table are always welcome. There will be a paper at the table to sign if you donate so that proper thanks can be given.

AUCTION

In memory of her husband, Howard, Mrs. Eve Wilburn has donated to South Coast Orchid Society a blooming plant of Paph. Winston Churchill 'Indomitable'.

The plant was shown at the January banquet in bloom. It has two growths.

It will be auctioned at the February meeting through the means of sealed bids. Minimum bid acceptable is \$500.00.

We are surely grateful to Mrs. Wilburn for this generous donation for the betterment of the Society. Paphiopedilum connoisseurs will recognize it as a very valuable stud plant. Bring your bid to the February meeting.

REFRESHMENTS

The following are invited to bring cookies to the February meeting: James R. Lang, Mr. & Mrs. R. Lanham, Robert M. Lesser, Mr. & Mrs. B Levy, Mr. W. Maberry, Robert I. MacKay, Nancy Mahan and Miss L. Mason.

We will send a postcard reminder to each person on the list each month, so that they will be alerted well in advance. If you cannot participate, it will be appreciated if you will let Billie (Mrs. Arthur) McCann know.

DRAWING

One name will be drawn in February for \$25.00. If that person is not present the drawing will be for \$50.00 in March.

YOUR HELP IS NEEDED!

The present policy of the Long Beach Recreation Department is that caretakers are not responsible for setting up chairs, tables, etc. for meetings and, in fact, it is a violation to ask them to do it. We are completely responsible for setting up for our meetings and must leave the hall in the same condition we found it. This means that assistance is needed beginning about 6:30 p.m. or earlier, if possible. Please come early and help. We also need just a few more members to stay after the meeting for just a few minutes to help in putting things away. If any member can volunteer to help with these matters on a permanent basis, please let Art McCann know.

NOVICE NEWS

The Novice Class has been a growing organization under the leadership of the talented Pat Rowland and is off to a very good start for 1980. 32 people attended the February meeting at the home of the new Chairman, Don Pollard. The March meeting will be held at the newly remodeled Brecht Orchid Gardens. Paul is going to demonstrate making up arrangements using living plants in pots, combining orchids with ferns, etc. These arrangements can be used in the home or apartment or patio and have the advantage of being in the pots and are, therefore, longer lasting than cut flower arrangements.

If you haven't visited Brecht Orchid Gardens since the remodeling, here is a very good time to do so.

JANUARY BANQUET

This first month that we are editing the Bulletin gives us an opportunity to thank all of the Society members for the honor that was ours at the Banquet. It was really nice and we do appreciate it.

So many people worked together to make the Banquet a success and special thanks must be given to Jim Miller who took complete charge of tickets, as well as decorations and probably several other details. Jim had an especially busy time that weekend as he was presented to the Queen of Thailand on Saturday preceding the banquet. Leo Holguin of Armacost and Royston sent down many boxes of beautiful orchids for the decorations. Charlie Bowman kept things moving right along during the evening and Jane Brecht did a lovely job with her talk. Ruth Falk was unable to attend due to illness, but it is due to her that we are able to use the Petroleum Club which gives us the outstanding food and nice place to meet.

It's always a thrill to me to see the number of people who come from really great distances to attend the banquet -- and we surely hope nobody got too wet in the heavy rain.

The trophy winners are listed below. The silver trophies were purchased during the summer before the price of silver went out of sight and there are enough on hand for next year. It might be an added incentive for members to show their plants for award this year. To win one of the South Coast trophies one must have been a member of the Society at the time their plant was shown and have the highest score in that category for the year.

South Coast Orchid Society Trophy
Ribbon Judging 1979
Presented by James H. Miller
Won by Andy Yamamoto

There was a tie in the ribbon judging, resulting in two trophies being given.

Will make use of some space where I find it to thank Michelle and Jim Rolph for the fine job they've done in editing the bulletin. We will miss the art work and Michelle's particular flair in writing. She will still be working because she will be Secretary in 1980. Our hard-working President over the past two years, Jim Miller, has taken the job of Treasurer, so he will also still have a hand in . . . (that doesn't sound right, does it?)
