Jim Rose To Talk

We are pleased to have Jim Rose speak to us on Lycastes. Jim has had nine years of practical experience in growing and hybridizing orchids at Santa Barbara Orchid Estate. We are looking forward to his talk on these exceptionally beautiful orchids.

PLANT TABLE

Jim will bring plants for the plant table from Santa Barbara Orchid Estate. This will be a good chance to get some of their high quality plants -- especially for those of us who do not drive to Santa Barbara as often as we used to make the trip.

REFRESHMENTS

We welcome our lovely hostess, Billie McCann, back from her trip to Michigan. Those who have been invited to contribute to the refreshment table this month are: Mr. & Mrs. Ralph Borders, Mr. & Mrs. Paul Brecht, Dr. & Mrs. Browning, Mr. & Mrs. Glen Briney, Sonia Clark, Joan Conceicao, Helen Congleton and Mr. & Mrs. G. Coon. Thank you all for your generosity.

DRAWING

We missed seeing Fred Richman at the June meeting and he missed hearing his name called for \$25.00. It will be \$50.00 in July.

SHOW REPORT

Thanks to the efforts of Charles Bowman and Robert MacKay who made the trips down to Del Mar and the support of the Powells, Brechts, Rowlands and Wilsons who furnished plants, our Society entered a successful display in the San Diego Fair.

It was a very hot Thursday that Charles Bowman, Charles Stockham and Arthur McCann spent putting in large displays at the Orange County Fair. Orchids and props were brought by Emerson Charles, the Rowlands, the Powells, the Brechts and the Wilsons. At this writing judging has not yet taken place. The displays are very colorful, despite the scarcity of orchids.

The money earned by entering these shows is what keeps us in the black and allows dues to be kept low. The next and last event for the year will be the Los Angeles County Fair at Pomona in September. Hopefully there will be lots of flowers in bloom and lots of members who are interested in loaning a plant or two and helping put in the display.

Bob MacKay has been ill and Sue Bradish has had major surgery. We wish them both a speedy recovery.

NOVICE NEWS

A very successful meeting was held July 13th at the home of Myrtle and Foy Risley. Myrtle obviously has a super-green thumb, making use of every nook and cranny in her lovely yard. Foy's help was also obvious. 32 people enjoyed their hospitality.

We would especially like to bring attention to visitors that the Novice Meetings on the first Sunday of each month are a great way to really see how people are growing their plants and to enjoy getting together in the relaxed atmosphere of someone's back yard. You could not help but come away inspired after seeing how people like Myrtle Risley grow their plants.

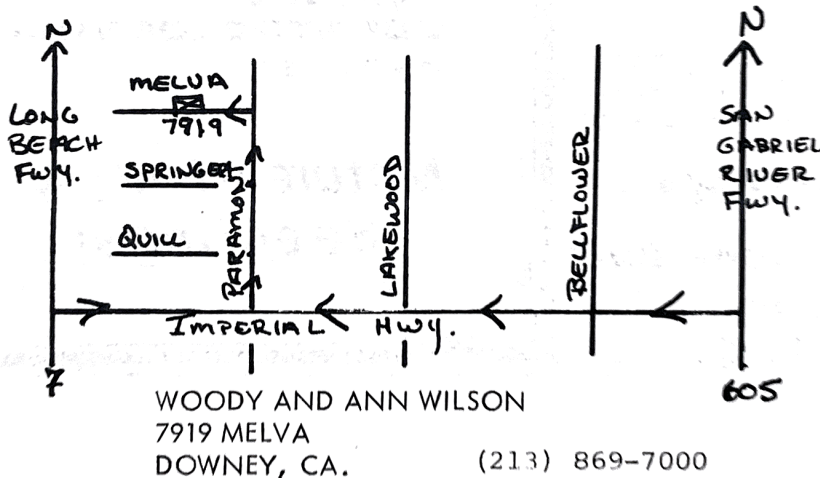

We were very sorry to learn of the sudden death of Vic Kaytis and extend our sympathy to his wife, Lu. She had planned to have the Novice group at her home in August but will be having eye surgery just about that time. Best wishes, Lu, for a speedy recovery.

The August 3rd meeting will be held at Ann and Woody Wilson's at 7919 Melva, Downey. It is just off Paramount Blvd. between Imperial and Firestone. All are welcome.
