LUAU

If you have never been to one of South Coast Orchid Society's Luau's, you have a great treat in store for you. The attire for the evening is Hawaiian. You know - the gaudy shirts and all that. Don Pollard is in charge and has some nice surprises planned. Family and friends are invited.

We're sorry the Ribbon Judging has to be cancelled. There are just not enough tables after several are commandeered to hold all that food and then another large number to seat all of us.

John and Tommie Hanes missed out on the \$50.00 drawing last month. The amount will be \$75.00 in August. It's getting up there again, isn't it?

Novice News

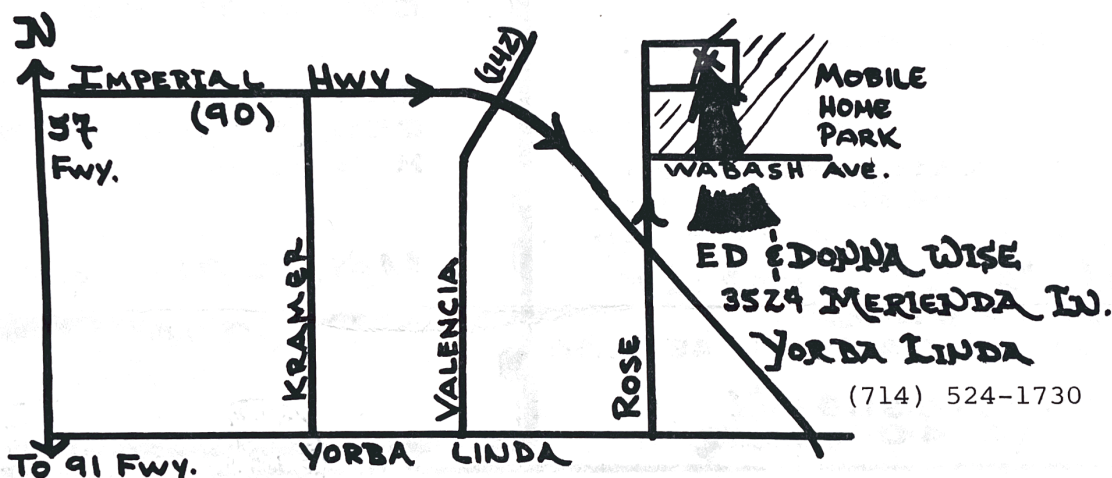

There was a good turn-out for the August 3rd meeting of the Novice Group at the Wilsons. Bud Rowland gave an interesting talk on hybridization, illustrating it with flowers from their collection. It was good to see some of our members at the meeting whom we have been missing at the regular society meetings. They are restricting their driving to daylight hours these days. Amber Hollingsworth's lovely granddaughter helped serve refreshments and the Schumann's brought a delicious Pennsylvania Dutch coffee cake. Thank you all.

The meeting on September 7th will be held at the home of Ed and Donna Wise in Yorba Linda. This should be most informative as the Wise's are doing some interesting work in hybridization also. All are welcome.

Last Month

Thank you, Jim Rose, for coming from Santa Barbara to give us a talk on the beautiful Lycastes.

We were honored to have guests from far and near. Mary Fermin, who joined our Society when she was in California last year was with us. Her home is in Manila. Harry and Florence Humphrey of San Diego and Dave Roskelley of Bountiful, Utah were among the early arrivals who helped set up the room for the meeting. Terry Williams of Oyster Bay, N. Y. and Connie Feagin of Peoria, Illinois attended the meeting, as well as Mrs. Dennis Carroll, Karen Garkow, Irene Garkow and Joe Monteil.

The Plant Table furnished by Santa Barbara Orchid Estate was supplemented by the following gifts: Fordyce S. Marsh - 2 flasks; So. Calif. Greenhouse Control Co. - Hi-Lo Thermometer; Paul Brecht Orchids - two \$10.00 gift certificates; Southern California Greenhouse Co. - Max.-Min. Thermometer; P. G. Barnett - 3 Cattleyas and Virginia Zuerlein - six plants. That's quite an array of donations and we are seeing the results in added ticket sales.
