President
MEETS FOURTH MONDAY

Dr. J. A. Fowlie, our speaker for the July meeting, will bring to us a summary of three trips to Mt. Kinabalu in North Borneo studying ladyslipper habitats.

Most of us will never have a chance to see these orchids in their native conditions, let alone make three trips to one area. We will surely learn how to improve on the care of our own plants.

Dr. Fowlie is well known to us as the Editor of "The Orchid Digest". He has made many trips throughout the world collecting and studying orchids and has written two books: "The Brazilian Bifoliate Cattleyas and their Color Varieties" and "The Genus Lycaste".

PLANT TABLE

Dr. Fowlie will bring a selection of plants from the Arboretum collection for the Opportunity Table.

SILENT AUCTION

Don't forget - bring a plant for the silent auction table and receive a ticket for a special drawing. You state a minimum bid and if this is not met, you may take the plant back home with you. Our treasury has received a good boost through this program and donations are very much appreciated. We thank Andy Yamamoto and Paul Brecht for their contributions last month.

REFRESHMENTS

Bill Powell, Dr. Norito Hasegawa and Lee Rowland did the honors at the refreshment table, guided by Paul Brecht. Our members have just done a superb job of providing delicious goodies and it certainly is appreciated.

Those invited to supply cookies in July are: Mr. & Mrs. Greenlees, Mr. & Mrs. Garrin Halsch, Mr. & Mrs. R. Hamilton, Dr. Norito Hasegawa, Mr. D. K. Hensley, Mr. & Mrs. Don Hohanshelt, Mrs. A. M. Hollingsworth, Mr. & Mrs. C. Hutchinson and Mr. W. C. Jastram.

SHOW TIME

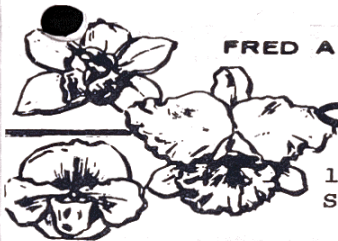

Jane Brecht and Charles Stockham entered our Society exhibit in the San Diego County Fair at Del Mar. It's a long drive down, but they did it--as well as designing and completing our entry. Charles Stockham refurbished the exhibit, as well as taking it out, with Charles Bowman's help. These people deserve a hearty thank you from all of us. Their efforts resulted in a boost to our treasury. Plants were supplied by the Powells, Brecht Orchid Gardens, Emma and Bob Green, Lloyd De Garmo and the Wilsons.

The Orange County Fair followed almost immediately and, again, our president Jane and her husband Paul, Charles Bowman and Charles Stockham saved the day with their willing work and know-how. The Powells and Wilsons helped out where possible. We also want to thank Norito Hasegawa, Emma Green, "Doc" Charles and Bob Lesser for plants used in the exhibits. At this time of year when blooms are scarce, every single plant is important. We just can't say enough in thanks to Jane and Paul--without their efforts, we'd have been in deep trouble.

"Ye ed" apologizes for not mentioning these coming shows a month ago and giving more members a chance to volunteer plants and physical help. The shows provide income to our treasury and are the reason dues can be kept so low.

* * *

The Long Beach Amateur Orchid Society has asked us to announce that Mrs. Rebecca Tyson Northen, well-known author, will speak at their meeting at 8:00 p.m. Monday, August 3. The meeting will be held at Los Altos United Methodist Church, Willow and Woodruff, Long Beach.

Novice News

The Novice Group had a beautiful day at Paul Brecht's Orchid Garden July 5. Between the hot weather and the holiday weekend, there weren't as many there - but those who missed it missed a grand time. Paul donated three certificates for plants to the drawing, as well as having coffee and punch ready when we arrived. We also want to thank the refreshment committee for their delicious addition to the morning.

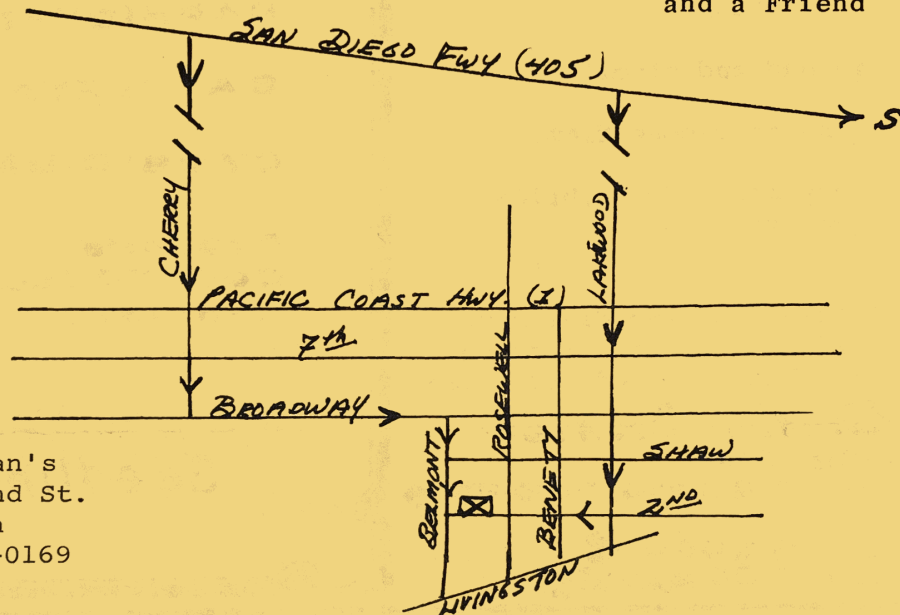

Phyllis

The Novice Group will meet in August at the home of Dr. & Mrs. W. Stegeman. Everyone is welcome, whether or not you have ever attended these Sunday morning meetings.

Last Month

Our thanks to Dr. Harold Koopowitz for his talk about conservation. He certainly gave us a lot to think about. We hear much about animals becoming extinct but were told that we are losing plants at a much faster rate and we need plants for medicine and food. Dr. Koopowitz would like to see seed banks established in freezers, with duplicates scattered throughout the country. This would not be overly costly and would insure that the plants would not be forever lost to mankind.

The Opportunity Table was furnished by Dr. Koopowitz and Dr. Hasegawa. Our thanks to Brecht Orchid Gardens for donation of a Dendrobium, the Rowlands for cymbidiums, Bill Heckerth for a cymbidium and Phyllis Cross for Holzems.

GUESTS

Guests last month were: Laurence McElrea, Roland Nakayama, Lottie Lee Carroll, Mr. & Mrs. J. Bryson, Duane Mooney, Florence Hess and Patrick Philbin. We hope you will come again and we invite you to join our Society.
