Arranging with Orchids by Lynn Mauzer

This month's program is a rare treat. Lynn Mauzer, owner of Carlynnhouse Exotics in Laguna Niguel, is going to give us a program on "Arranging with Orchids" - showing designs we can do in our own homes.

Lynn has a very large collection of orchids and has combined growing them with a florist business specializing in orchids -- "A Florist to the Discriminating Taste".

Here is a chance to learn how to enhance our exotic flowers even further in arrangements for the home, for gifts, etc.

PLANT TABLE

Plants for the Opportunity Table will be furnished from Lynn Mauzer's very extensive collection.

SILENT AUCTION

Is there an extra plant or division in your collection that could be donated to the Silent Auction table? You set the minimum bid and if it is not met, you may take the plant back home with you. Also, you will receive a ticket for a special drawing. The Silent Auction has been a very successful way to help meet expenses and your donation is solicited.

We want to thank new members Richard Lucas and Mr. and Mrs. Curtis, as well as the Powells and Brecht Orchid Gardens for their donations last month. Almost all were plants in bloom.

REFRESHMENTS

These members are invited to bring some cookies to the October meeting: Paul and Cathy Otis, Dr. Plocher, Don Pollard, the Powells, Mr. & Mrs. Rich, Mr. & Mrs. Fred Richman, Mr. & Mrs. Roeder, Mr. & Mrs. Roemer, Mr. & Mrs. Rolley, Sarah Ross and Lee and Pat Rowland. Paul Brecht will appreciate it if some of the men from this group will volunteer to help pour coffee and punch.

Many thanks to all who contributed goodies last month and to Bob Lesser and Bill Powell who helped Paul serve them.

LAST MONTH

Bill Gann's talk on collecting in Peru was extremely interesting. Two screens were used to show where the orchids were found, as well as the make-up of the surrounding country and people living in the Andes.

NEW MEMBERS

Welcome to Mr. & Mrs. Robert La Turner of Long Beach, Harold Koopowitz of Paphanatics, Unltd. and Mr. & Mrs. Edward Curtis of Long Beach.

The Curtis's donated some 20 bare root Cattleyas to the plant table. Emma Green donated Oncidium and Cymbidium back bulbs and Brecht Orchid Gardens a Phalaenopsis in bloom. All of these, along with the plants provided by Bill Gann, made up a very full table for the drawing. Thank you very much.

It's good to see the younger members taking part in the meeting. Dana Friend and Mike Regan conducted the Plant Forum very professionally.

With the closing of the Pomona Fair, the Shows are over for 1981. Special mention must be made of the efforts of Charles Bowman in arranging for our participation and coordinating the arrival and departure of plants and people for every one of the Shows the Society enters each year. Besides that, he is always present in work clothes doing some of the heaviest work. If you sometimes wonder how the Society can meet its expenses with dues of \$6.00 a year-- the Shows and Show Committee are the answer. If you can find a little time to help next year, watch for the announcements.

—Novice News—

A most successful meeting was held in October at Jack and Jean Alff's home. We are told it was unbelievable to see what they have done in the short time they've lived on Boyar Ave.

Lloyd De Garmo, on very short notice, gave a fine discussion on growing Paphiopedilums. Phyllis especially wants to thank Lloyd and Don Pollard for taking over when she was stranded with car trouble in New Mexico.

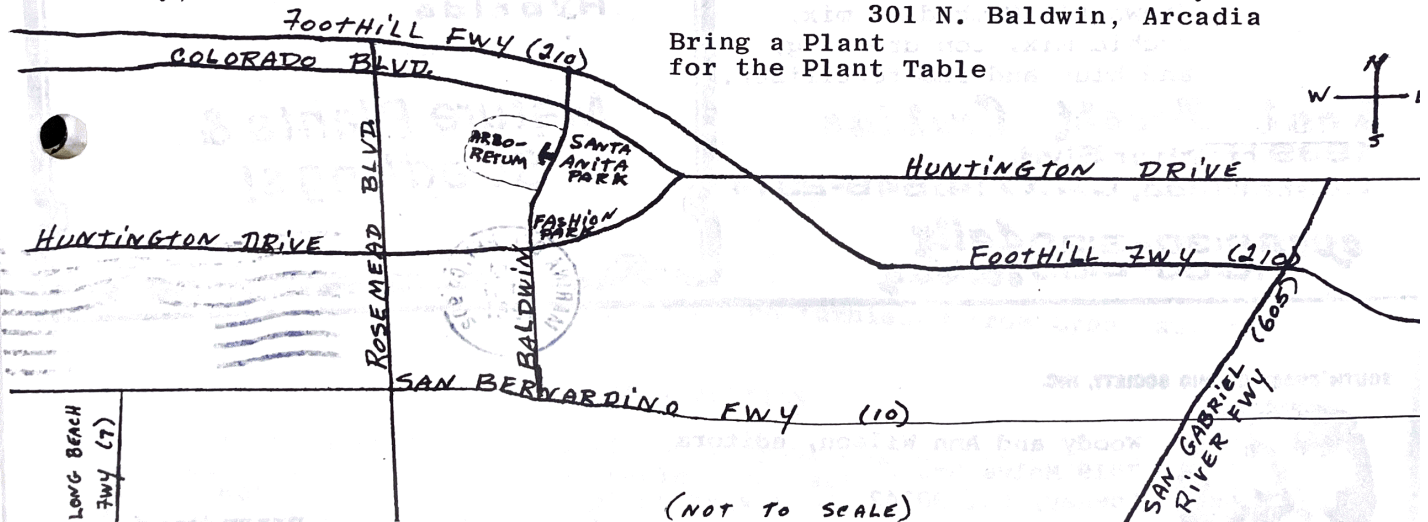

The November meeting will be held at the L.A. State & County Arboretum, 301 N. Baldwin, Arcadia. There is a charge of \$1.00 for adults - 50¢ for those over 62 years old - which must be paid at the Arboretum gate.

Earl Ross will be our host. Come to the main gate and ask for directions to the Orchid Houses. It is a little walk, somewhat uphill, from the gate. Do not bring chairs - Earl will have some ready. Arrangements will be made so that plants for the drawing can be brought in.

Earl is coming in just for us. The Orchid Houses are not normally open at all on weekends and they are never open to the public without prior arrangement. Therefore, this is a unique occasion and all Society members and guests are invited to take advantage of this chance to see the collection and learn about its care.
