"SAY IT WITH FLOWERS"

A Trip to the Tenth World Orchid Conference,

Durban, South Africa

By Bill Eilau

Who can better bring the story of the 10th World Orchid Conference to us than Bill Eilau who was Vice-Chairman of the 5th when it was held in Long Beach? His connections with our Society go back to the first of our annual Luaus when he spearheaded the attendance of two busloads of members of the San Gabriel Valley Orchid Hobbyists.

Bill has been President of the San Gabriel Valley Orchid Hobbyists, he served three terms as President of the Southland Flower Show Committee, was President of the Orchid Digest Corporation for two years and has received the Meritorious Award from the Orchid Digest. His wife, Polly, has always been involved in helping with all of these jobs.

PLANT TABLE

Sonia Clark and Phyllis Cross have planned a trip to Armacost & Royston and will bring back plants for the Opportunity Table. Let's be prepared to buy tickets. It's a good chance to obtain quality Armacost & Royston plants at a fraction of their cost.

SILENT AUCTION

Do you have an extra plant or division you could donate to the Silent Auction Table? It would be very much appreciated.

REFRESHMENTS

The following members are invited to bring cookies to the February meeting: Paulina Nafarrete, Dick Nerio, Kay Anderson, Sally Aucreman, Bill Bailey, Gene DuBois, Dr. Nick Baldassano, Mr. & Mrs. P. G. Barnett, Wanda and Beulah Beal and Paul Bechtel. Paul Brecht will be in charge of refreshments again this year. He has very much appreciated the fine cooperation you've all given him.

ORCHID DIGEST

Since our speaker this month is Chairman of Membership, it is appropriate to mention the value of a subscription to the Orchid Digest. Dr. Jack Fowlie is editor and the Digest is world famous for its spectacular color separations. Emphasis is being placed on articles on culture for amateurs. Subscriptions are \$16.00 per year and should be sent to Mrs. N. H. Atkinson, P. O. Box 916, Carmichael, Ca. 95608.

Novice News

We had a great meeting at Bonnie Scarboroughs in Whittier. She has a beautiful place and was a very gracious hostess. Don Saurenman gave a very informative talk on orchids and the problems with different kinds of diseases.

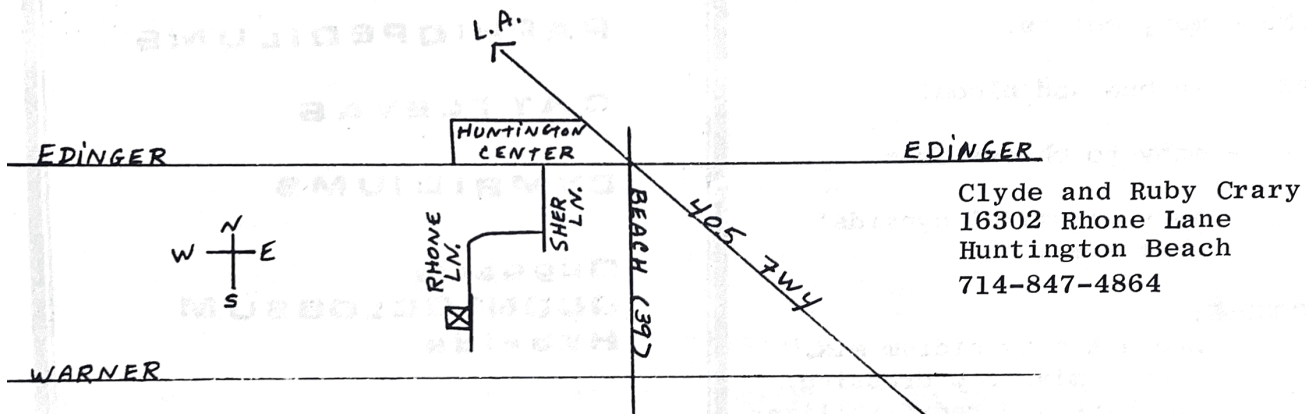

The March 7th meeting will be at Clyde and Ruby Crary's home in Huntington Beach. We invite all members and guests to attend these meetings on the first Sunday of each month in somebody's back yard. You can see how they grow their plants and enjoy getting together with fellow hobbyists.

LAST MONTH

Jane Brecht was installed for the second term as President at the 32nd Annual Banquet. The Petroleum Club had a pleasant surprise for us with their new round tables. Don and Bob's table decorations, with lighted candles sparkling inside glass containers, were lovely. We want to give special thanks to Armacost and Royston for supplying the flowers used in the decorations.

Charlie Bowman, Chairman and Master of Ceremonies did an outstanding job. Jane Brecht had prepared certificates of appreciation which were presented to those who had helped out with the flower shows the Society has entered over the years.

Many of you contributed plants to the Opportunity Table, most of which were in bloom. We're sorry we didn't get your names but your donations were very important to the success of the evening.

Several former members who have moved away sent greetings. This includes George Hudson, Hampton, Va.; Jerry and Cal Worthen, Sandy, Utah; Ann and Fred Vaughan, Angelus Oaks; Vince and Eleanor Scoggins, Vista. We were happy to see George and Esther Abendroth who drove in from San Jacinto and Dr. Lloyd and Connie Wallar from Loma Linda, among others who came from quite a distance.
