Orchid Shows Around The World *Leo Holguin*

It is indeed a pleasure to welcome Leo Holguin of Armacost & Royston, Inc. in Carpinteria as our speaker in March. Leo has been a great friend to our Society and we are looking forward to seeing him and hearing his talk.

PLANT TABLE

Have you ever seen a plant table before where every plant was in bloom? That was what was provided by Armacost & Royston in February. We won't necessarily hold them to a repeat in March but we know Leo will bring more than full value of Armacost & Royston plants. (A few years ago one of our members won an award and a trophy with a plant originally won on a plant table supplied by Leo -- it can happen!)

SILENT AUCTION

Orchid Arts donated a beautiful arrangement to the Silent Auction in February and the Curtises and Woody Wilson donated orchids. If you have a plant you can place on the table this month, it will be very much appreciated.

REFRESHMENTS

These members are invited to bring cookies in March: Walter Belville, Charles Caffery, Mr. & Mrs. Edward Curtis, O. R. Blum and Ralph and Mary Borders.

Ernest Hetherington donned an apron and helped serve cookies he had personally baked the night before the February meeting. Other willing helpers were Walter Belville and Bob Parker. Paul Brecht wants to thank them, as well as all the good cooks who are so generous with their goodies when called upon to donate.

DUES

A few people will find a dues envelope attached with this bulletin. It is a gentle reminder that Helen Powell does not have a record of receiving your \$6.00 for 1982. We don't want to remove your name from our mailing list and hope you will let Helen hear from you right away.

Novice News

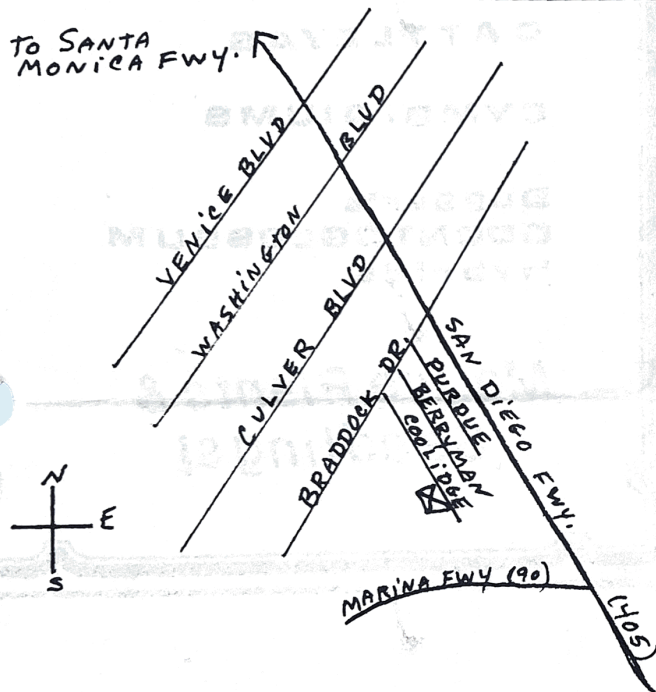

We had a great time at Clyde and Ruby Crary's on March 7th. They have a beautiful place and were very gracious hosts to our group. Clyde gave a very informative talk on potting and care of Vandas, including how to layer one that didn't have roots.

The meeting on March 4th will be at the home of Andy and Yae Yamamoto in Culver City. For some years now Andy has taken the Society's award for most points in ribbon judging. Almost every month he brings a large group of plants for the Plant Forum table and takes home several ribbons. It will be a treat to see his collection and learn how he does that good growing. All are invited, whether or not you have ever attended one of these Sunday morning meetings.

LAST MONTH

Many thanks to Bill Eilau for his very fine talk and slides on the Tenth World Orchid Conference.

The Plant Forum was very ably handled by Norito Hasegawa and Alex Hernandez.

Also, thanks to Paul Brecht and Phyllis Cross for their generous donations to the Plant Table.

Nine guests signed the register. They were: Mrs. L. M. Peck, Jessie Holmes, Alice Wells, Loretta Broneman, Frances Armstrong, Bill Stephens, Grover Halsley, Georgia Nagel and Patrick Philbin. We hope you will come again.

"Doc" Charles very generously donated a new microphone to the Society to replace equipment that had been stolen from the Park. However, the amplification system was also missing. If you've had trouble hearing the speakers lately, you'll be happy to hear that all new equipment is expected to be in place for the March meeting.
