MEETS FOURTH MONDAY

Happy Holidays!

PAT ROWLAND will speak at the December 27th meeting on Paphiopedilum culture. Pat has devoted much of her life to studying, hybridizing and growing Paphs. and her talk will be of help and interest to "old timers" as well as novice growers.

PLANT TABLE

The opportunity table will come from the Rowland Collection. We know it will be a good table and well worth buying lots of tickets.

SILENT AUCTION

If you have something to donate to the Silent Auction table, it will be very much appreciated. Thanks to Paul Brecht and Woody for their donations last month.

REFRESHMENTS

The members of the Board of Directors will furnish special holiday goodies for the December refreshment table. This will be Paul Brecht's "swan song" and we know everyone joins in thanking him for the great job he's done these past two years.

WE WILL MOVE IN FEBRUARY!

December marks our last meeting at Wardlow Park. You will receive a letter soon about the banquet at the Petroleum Club in Long Beach on the January meeting night. February 28th will be the first meeting at the new quarters at the Long Beach Camp Fire Council building, 7070 E. Carson St., Long Beach.

Art McCann has prepared a very nice map which you will find attached to this bulletin. You're going to like the new meeting place very much. There's plenty of well-lit off-street parking. There will be a separate room again for A.O.S. Judging. There is a nice kitchen and the custodian lives on the property and will be available for setting up chairs and tables, etc.

DUES

In accordance with the By-Laws, all members were notified that an increase in dues would be brought up at the November meeting. Upon motion duly made, seconded and unanimously carried, the dues will be increased to \$12.00 for the coming year. Your dues envelope is attached.

GUESTS

Several recent guests have mentioned that they want to join the Society in 1983. Also, we want those who have visited recently to know about our move. Therefore, this bulletin, along with map and dues envelope, is being sent to the people who signed the guest register this past year. We welcome you to join with us and help make South Coast a bigger and better Orchid Society. We now have all the ingredients and just need to be sure to mix them well. You can help!

If you were not eligible for a "Certificate" at Walter Cousineau's last month, now is the time to start building your credit toward next time.

We want to thank the Cousineaus for their hospitality in December. If you missed the meeting, you missed a good time.

LAST MONTH

Ten Commercial representatives filled the tables with their wares. Many of them offered special one-time discounts, making it a great opportunity for Christmas gift shopping.

Special thanks to those who donated to the Plant Table. From the size of the table, it looks like several must not have signed the paper that was on the table to record their gifts.

Those who did "sign in" were: Paul Brecht - two \$10.00 gift certificates; Rheinfrank & Associates - watering wand; Calif. Greenhouse Controls - Hi-Lo thermometer; Zuma Canyon Orchids - 8 Phalaenopsis plants in spike; Mary Ann Barnett Orchids - Ranger Six "A-OK" FCC/AOS, a 6 bulb div. in sheath; The Rowland Collection - Cymbidiums; Howard and Diana Kenyon - Cattleya; Allen Sylvester - 5 Paphio seedlings; Judi Thai - 2 pieces orchid jewelry.
