MERRY CHRISTMAS

MERRY CHRISTMAS

MERRY CHRISTMAS

MERRY CHRISTMAS

Our December speaker will be P. G. Barnett, who will tell us how to grow plants with that special touch to win A.O.S. awards. P. G. should know, since he has won many awards with his plants. The plant table will be furnished by P. G. Barnett. Be sure to buy a good supply of tickets, since an outstanding array of plants is certain to be provided.

Ribbon judging and the silent auction will take place as is customary. A.O.S. Judging will also take place as usual.

As a special feature, Santa Claus will be present with some surprises for the members. Please bring a "white elephant" with a value of about one dollar.

Refreshments will be provided by your officers and directors. This should be an outstanding Christmas meeting, so come prepared to have a good time. Be sure to note the change in date to December 19.

1984 Elections

The election of officers for 1984 will be held at the December meeting. Since there were no nominations other than the single slate presented by your nominating committee, the election will be held by voice vote.

November Meeting

The November commercial night was very successful. A wide variety of plants, supplies, and special jewelry were shown. The commercial people provided an excellent plant table.

Bulletin Board...

Don't forget that the December meeting will be held on December 19, the third Monday, instead of the usual 4th Monday, December 26. This is because of the fact that our regular meeting night falls on the Christmas week-end.

The Novice meeting will be held on January 8, 1984 instead of January 1 because of the New Year's week-end.

Merry Christmas and Happy New Year to all.

-- Novice News --

The January meeting of the Novice group will be held at the home of Dr. and Mrs. Walter Stegeman on Sunday, January 8, 1984. Because of the New Years holiday, the meeting date is changed to the second Sunday for this month only.

We wish to thank Ernie Campuzano for a very successful certificate meeting. A good time was had by all.

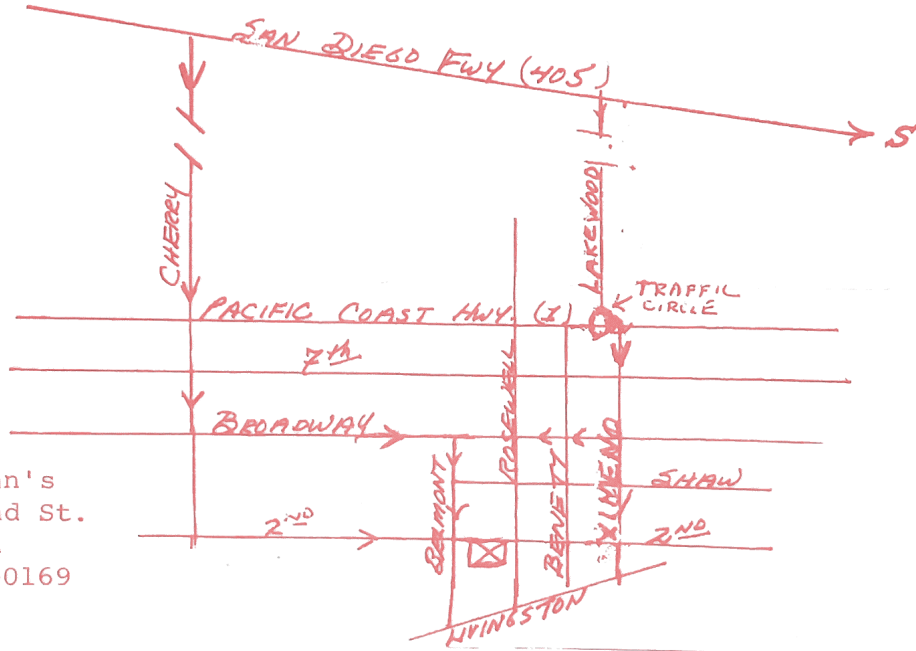

Don't forget the change in date for this month only. Bring a chair and a plant, preferably a healthy named orchid.

A SPECIAL SALUTE

Three of our active members are giving up their positions after many active years on the Board of Directors and as Bulletin Editor. Phyllis Cross is retiring as Second Vice President and Chairman of the Novice Group. Helen Powell has been an active and efficient Membership Secretary and is now retiring. Ann Wilson has been our peerless Bulletin Editor. Just to realize that these three are leaving their positions is to recognize the great loss to the Society. They will remain as active members of the Society and will continue to contribute as they always have. All three have occupied a very special place in the Society for many years. We salute them for their outstanding service. We are grateful that they are still with us and will continue to be available to contribute to the Society.

Bob Lesser, who filled in as editor for the October, November, and December bulletins will continue as editor in 1984. Your new editor will do his best to make the Bulletin interesting and attractive, but Ann Wilson will be a very tough act to follow. Thank you, Ann.
