A Message from our President:

Recently, after one of our meetings, I was talking with two of our visitors. They were very complimentary about our members. They remarked how friendly and helpful one of our members had been to them and how much they appreciated her courtesy. She made them feel welcome. What a nice thing to hear. Our hats are off to that lady. Visitors and new people are important to us, and making them feel welcome is indeed bringing them back to our society. The lady who did such a nice job is Ann Wilson, our former bulletin editor. Nice going, Ann. You put the South Coast Orchid Society on the top of their list for friendliness. Thank you.
