President
MEETS FOURTH MONDAY

Date: September 24, 1984
Time: 8:00 p.m.

Our speaker for the September meeting will be Ernie Campuzano. His topic will be yellow phalaenopsis. Ernie will furnish the plant opportunity table, so we can be assured of having outstanding plants. Be prepared to buy plenty of raffle tickets to support your society and to help yourselves by increasing your collections with your winnings.

REFRESHMENTS: The following are invited to bring refreshments for the September meeting: Col. & Mrs. A. R. Morley, Dr. & Mrs. Martin Nedderman, Dick Nerio, Marjorie Peck, Robert Pence, Dr. Phillip Plocher, Don Pollard, Mr. & Mrs. Joe Pontius, and Helen Powell. Our thanks in advance to you all.

SILENT AUCTION. Don't forget the silent auction. This is another source of income for the society. The plants on the auction table also give our members a chance to enhance their collections at reasonable prices.

AUGUST MEETING. Last month's meeting consisted of a highly successful Luau. Thanks to the generosity of Roy and Ira Field, there was outstanding entertainment provided by the Alohi dancers. It was a very festive evening, and everyone seemed to have an enjoyable time. In addition to Roy and Ira, the entire membership deserves a big "thank you" for the delicious food that everyone provided. The buffet table was loaded with a wide variety of good food.

AOS JUDGING AND RIBBON JUDGING. A.O.S. judging and ribbon judging will take place as usual. For ribbon judging, please have your plants in for judging no later than 7:30, so the judges will have time to complete their work before meeting time. Your cooperation will be appreciated.

NOMINATIONS FOR 1985 Officers and Directors: That time of the year is approaching when nominations for 1985 officers and directors must be made. If any members are interested in serving on the board of directors as an officer or director, please see Bob Lesser, nominations committee chairman. Newer members are especially encouraged to become active. The experience can be very rewarding.

As we went to press, we learned that our entry in the Los Angeles County Fair was placed through the diligent efforts of Jane and Paul Brecht, Charlie Bowman, Charles Stockham, and Ann and Woody Wilson. This faithful crew is always at the forefront in helping the society win substantial funds at the various shows we enter. They, along with very few others like the Powells, Em Green, and Robert Mackay have been helping the society for many years. The money the South Coast Orchid Society wins from these shows provides a significant amount for our treasury. Dues, income from plant tables, and silent auction funds are not enough to meet all the society's costs. Please volunteer your services and your plants for our shows. This is a great opportunity for all our members, especially our newer ones, to work for the good of the society. The same few do all the work. **THEY NEED HELP. GET ACTIVE.**

message from President Don Pollard.

On behalf of the South Coast Orchid Society, I would like to extend my thanks, both for myself and for the entire society, to Roy and Ira Field for their very generous financial contribution to ensure the success of the annual Luau. Because of their generosity, we had one of the most successful Luaus in our history. We benefited from outstanding entertainment and an abundant supply of turkey and ham. Everyone had a glorious time. We were especially pleased that Roy and Ira were in attendance this year. Thank you, Roy and Ira. You are very special people.

OCTOBER NOVICE GROUP MEETING

DATE AND TIME: Sunday October 7, 1984
10:00 a.m. to 12 noon

LOCATION: Brecht Orchid Gardens
1989 Harbor Blvd., Costa Mesa
(714) 548-2314

Brecht Orchid Gardens will be our hosts at the October meeting. If you have not visited Brecht's before, you are in for a real special treat. It is like a lush tropical paradise. Paul has always put on a very interesting meeting for the group. Everyone is invited. Bring a friend and a plant, preferably a healthy named orchid. IT WILL NOT BE NECESSARY TO BRING CHAIRS FOR THIS MEETING.

To get to Brecht's from the Long Beach area, take the San Diego Freeway (I-405) to the Harbor Blvd. turnoff. Go south on Harbor Blvd to Brecht's. It will be on your right. A Ford agency is on the opposite side of the street. Use that as your landmark.

Refreshments will be served. Everyone is invited. Come prepared to have a good time. Brecht's opens at 10 a. m. on Sundays, so it would be a good idea to arrive promptly at 10 a.m.

September meeting. Because of the Labor Day weekend and other circumstances, the September meeting was postponed until September 16. The meeting was held at the beautiful home of the Iger family in Villa Park. Refreshments were provided by Marjorie Peck and by the Igers. This was an excellent opportunity for the membership to see orchids raised in an unusual way, as well as to see some beautiful orchids which had won A.O.S. awards for the Igers.
