MEETS FOURTH MONDAY

Installation Banquet

Place: Petroleum Club
3636 Linden Ave.
Long Beach
Tickets: \$15.00 each
Date: January 28, 1985
Time: Social Hour: 6:30 p.m.
Dinner: 7:30 p.m.

We are especially honored to have as our guest speaker Dr. Phillip Cribb, Orchid Taxonomist, Orchid Herbarium, Royal Botanic Gardens, Kew, England. He will speak about "High Adventure Collecting Orchids Around the World."

Dr. Cribb is one of the world's foremost authorities on species of the orchid family. He is personable and an excellent speaker. You will enjoy meeting him and hearing his talk.

As usual, there will be a plant drawing. The plant table at the banquet is made up of member's donations. To help make the drawing a big success, a donation of a plant, in flower or not, by each member would be appreciated.

The Petroleum Club is well known for its outstanding food. Our talented members, Don Pollard and Bob Lesser, will make up the table decorations. Plan to attend. It promises to be an entertaining and delightful event.

1985 DUES.. Dues notices for 1985 were mailed with the November bulletin. Ethel McCallen our membership secretary will be happy to receive your 1985 dues, either by mail or in person at the meeting. Our yearly dues payments are absolutely essential to the survival of the society. PLEASE SUPPORT YOUR SOCIETY BY PAYING YOUR DUES PROMPTLY.

-- Bulletin Board --

Through the generosity of his father in Taiwan, our member Norman Fang is offering So. Coast Orchid Society an opportunity to make a profit on sales of a beautiful book, 700 Quality Cattleyas in Color by C. H. Hsu. Along with high quality pictures, the book gives parentage, date of name registration, year of A.O.S. award and point score covering Cattleya species and hybrids from about 1960 to 1984. Take a look at page 1362 of the Dec. 1984 issue of the A.O.S. Bulletin for a more detailed description of the book.

Norman will have copies at the banquet. You can take one home for \$30.00 which is less than the regular selling price and you don't have to wait for it to come by mail. Remember, the Society will make a small profit.

If you want to reserve a copy in advance, call Norman after 3:00 p.m. at (213) 919-3221 or let any South Coast officer know and they will pass the word.

Chuck Stockham had some good words!

"The book is profusely illustrated with approximately 700 pictures faithfully reproduced in living color showing many hybrids awarded by Taiwan Orchid Society, Japan Orchid Society and the A.O.S. from about 1960 to 1984".
