MEETS FOURTH MONDAY

ORCHIDS IN SOUTH AFRICA

We are highly honored this month to have as guest speaker Dr. Jan George Boyazoglu of South Africa. He is presently Agricultural Counsellor to the United States and Canada and is attached to the South African Embassy.

Dr. Boyazoglu is an animal scientist, economist, agricultural expert and Diplomate. He has been guest lecturer around the world and is an Honorary Professor at the University of Stellenbosch and is a member of the South African Academy of Science & Art and the International Wine Academy, Switzerland. He is also an Associate Professor with the Faculty of Agriculture at the Aristotelian University of Greece. He acts on a personal capacity as advising expert in agricultural research and development and animal production in the Mediterranean Basin, Africa, the Near and Far East.

He has received honors from the countries of France and Belgium, among others.

It is a distinct honor to have Dr. Boyazoglu speak at our February meeting. We feel sure you will want to hear him and to meet him.

PLANT TABLE

Armacost & Royston will furnish plants for the February meeting. The flowers sent down by them for our banquet were so beautiful and a plant table supplied by Armacost & Royston is always equally as interesting.

SILENT AUCTION

Do you have a duplicate plant you can donate to the Silent Auction? This is a great opportunity for our members to buy plants at very reasonable prices and it gives our Society a big financial boost.

REFRESHMENTS

The following members are asked to donate toward this most popular part of our meeting this month. Thank you very much in advance. Sally Aucreman, Mr. & Mrs. Leo Bance, Mr. & Mrs. P. G. Barnett, Paul Bechtel, Frank Becker, Ernest Cornolo, Donna Biles, Mr. & Mrs. Ralph Borders, Mr. & Mrs. Don Bradish

DUES

Ethel McCallen, Membership Secretary, reports that dues payments have been coming in very nicely. However, we have been asked to remind all members that all dues must be paid by March in order to have your name listed in the 1985-86 Roster.

Norman Fang still has some copies of 700 Quality Cattleyas in Color although sales were brisk at the banquet. The Society makes a profit on each sale.

We certainly want to thank Bob Lesser for editing this bulletin the last 17 months. He did a really fine job!

I'm back, but only temporarily. There is a new, fine editor waiting in the wings. We will hear from him later in the year.

Ann Wilson

RHEINFRANK & ASSOCIATES
2011 Myrtle Ave.
Monrovia, Ca. 91016

PLEASE VISIT US AT OUR NEW LOCATION.

ASIDE FROM THE SUPPLIES WE CARRY, WE NOW OFFER CYMBIDIUM PLANTS, both MATURE and SEEDLINGS. SELECT GROUP OF EARLY and LATE BLOOMERS.

COMING EVENTS

The wonderful season of Spring and Orchid Shows is here!

First on the list is the Orange County Branch of the Cymbidium Society's show at Anaheim Plaza February 22-24. Admission is free. Hours are: Fri., 10 a.m. to 9:00 p.m. Sat., 10:00 a.m. to 6:00 p.m. Sun. 11:00-5:00. Anaheim Plaza is at 500 N. Euclid St., Anaheim

SOUTHLAND ORCHID SHOW - "Springtime in Orchids" at Los Angeles Arboretum March 1-3. Hours are Fri. 12 noon - 4:30, Sat. 9:00 - 4:30, Sun. 9:00-4:30. This is our orchid show. Displays will be entered by each Society that belongs to Southland Orchid Show, Inc. Please see Chuck Stockham if you can help with blooming plants or in any other way on Thurs., Feb. 28 when displays will be set up. Volunteers are also needed to help make corsages for sale. Polly Eilau (818) 446-6854 can give further information.

Santa Barbara - March 14-17, Thurs. thru Sunday. This will be the biggest So. Calif. orchid event in many years. In conjunction with the show, the Cymbidium Society of America will hold its 10th Annual Cymbidium Congress and the A.O.S. trustees and committees will hold their meeting. The entire Earl Warren auditorium will be given over to displays, with sales booths, etc. under an adjoining cover.

San Diego - March 21-24 at Al Bahr Temple at Highway 163 and Claremont Mesa Boulevard in San Diego.

-- Novice News --

The Novice Group meeting will be held Sunday, March 3rd at 10:00 a.m. until noon at the home and orchid range of Emerson "Doc" Charles:

2295 Pacific Ave., Costa Mesa
(714) 548-6878

He is located between Harbor Blvd. and Brookhurst, just east of the Santa Ana River and just north of Victoria Street (It is called Hamilton Ave. in Huntington Beach.)

Coming from Long Beach you would take the San Diego Freeway and turn right at Brookhurst. Go south exactly three miles to Hamilton. Turn left and just go to the top of the hill. Make a little U turn and that will put you on Pacific. Go to the end of Pacific to 2295. You will see some apartments on the left and he is located in back of those apartments.

It has been a long time since we have visited Doc's range and he is looking forward to having us come as much as we look forward to seeing his greenhouses. Doc has agreed to talk to us about Paphiopedilum growing and the new planting medium he is using.

Bring your chair, a plant for the drawing and a friend, as usual.

Bob Pence reports that the meeting in February at the Stegeman's was very successful despite some competition for parking places from the running of the Long Beach Marathon. Our thanks to the Stegemans for their hospitality.

If you don't already know about this active group that meets the first Sunday morning of each month, usually in a member's back yard, we want you to know that you are very welcome and we hope you will come and join us.

A record of attendance is kept. There is a plant drawing held each month. Every six months the meeting is held at a commercial range and all of the money that has been taken in during the previous six months is divided up in the form of a "certificate" spendable where the "certificate" meeting is held. Everyone who has attended four out of the six meetings is eligible for a "certificate" - so your good attendance pays off!

THE ANNUAL BANQUET

It's a little scary to name names in thanking all those who worked toward making the January banquet a great success because I know I'll forget someone.

Dr. Cribb gave an exceptionally interesting talk, interspersing Australian orchids with other flora and fauna and scenery of that country. Ned Nash brought down several boxes of cut orchids and they were beautiful in lovely baskets arranged by Don Pollard and Bob Lesser. James Miller arranged for publicity which resulted in people calling up to say they wanted to come!

We were delighted to have Ruth Falk attend. She arranged a trip from her home in Louisiana to coincide with our banquet.

There are others - Ernest Hetherington helped arrange Dr. Cribb's visit and, over all was the genial Charles Bowman making sure everything went on schedule.

Special thanks, also, to all who brought plants for the drawing - and to all of you who bought tickets.
