MEETS FOURTH MONDAY

DR. ROBERT HULL

Have you ever wanted to make a cross of your own? To try your hand at orchid hybridizing? Ever wonder what happens after the pod? South Coast Orchid Society is pleased to present as our speaker for June Robert Hull, M.D. of Sunswep Laboratories who will clear up the mystery of what happens after the pod.

Dr. Hull will tell us how seed sowing and meristemming is done and the efforts underway to save rare and endangered orchid species from extinction. This should be a rare opportunity to learn something new and unique about orchids. See you there!

PLANT TABLE

The plant table will be provided by Dr. Hull. Buy tickets and support the Society.

We want to thank the following members who donated to the Plant Table last month: Wanda Beal brought in 15 cymbidiums, Dave Toyoshima contributed three Cattleyas and Bill and Debbie Heckerorth a Cattleya and four Phalaenopsis plants.

SILENT AUCTION

Donations to the Silent Auction are very welcome. If you have a "companion" plant in bloom, even if it is not an orchid, such a donation would be very nice.

We sincerely thank last month's donors: Paul Brecht, with Miniature Cymbidium Sylvia Miller and a Dendrobium; Pat Rowland with Cym. Bob Norton and Edgar Pennington who sent an awarded Anglocaste Olympus.

REFRESHMENTS

Going down the membership list alphabetically, the following people are invited to bring goodies for the refreshment break in June: Alice Holder, Amber Hollingsworth, Dean Hollis, Mr. & Mrs. Charles Hutchison, Linda Iger, Mr. and Mrs. Howard Kenyon, Mr. & Mrs. Robert Lanham, Bernie La Turner, Geri Lemacks and Robert Lesser.

Special thanks to Marjorie Peck, Ursula Pontius, June Sanberg and Bonnie Scarborough for helping in the kitchen in May.

A. O. S. JUDGING

May 20, 1985

- | | |
|--|------------------------------------|
| Lc. Bella 'Happy Face'
(L. purpurata x C. labiata) | C.C.M. 95 Points
Fritz Amacher |
| Paph. Vintner's Treasure 'Liz'
(Paph. Kowloon x callosum) | A.M. 80 Points
Robert Greenlees |

RIBBON JUDGING

CATTLEYAS

1. Lc Temptation - June Sanberg
2. C. Irene Holguin - Steve Anderson
3. Slc. Wendy's Valentine - June Sanberg
- C. C. Aclandia x C. Coquina - Marjorie Peck

PHALAEOPSIS

1. Barbara Freed Saltzman x Rhoda Fredrick -
Bruce Elliott
2. Giant Frost - Linda Iger
3. Wildfire - June Sanberg
- C. Barbara Freed Saltzman x Rhoda Fredrick -
Bruce Elliott

DENDROBIUMS

1. Angel Flower x Orion - Linda Iger
2. Berimont No. 2 x Sagimony No. 2 -
Art. McCann

CYMBIDIUMS

1. Balkis 'Braemar' - Woody Wilson
2. Melinga 'Goldie' x Wyel 'Goldilocks' -
Bruce Elliott
3. Orchid Conference - Woody Wilson

PAPHIOPEDILUMS

1. Maudi Coloratum -
Art. McCann
2. Roble Hall-Woody Wilson
3. argus (species) -
Art. McCann
- C. roebelinii (species) -
Linda Iger

ODONTOGLOSSUMS, MILTONIAS, ETC.

1. Onc. Triflex-Woody Wilson
2. Odcdm. Tigersun -
Art. McCann
3. Odcdm. Tiger Hambuhren -
Woody Wilson
- C. Onc. splendidum (species)-
Bruce Elliott

ALL OTHER GENERA

1. Phaius Granifolius -
June Sanberg
- Judges - Bruce Elliott
Bob Pence
Harriet Liska
Marjorie Peck
Art. McCann

ROBERT I. MACKAY

It was with extreme regret that the Board of Directors accepted the resignation of Robert I. Mackay for the term ending in 1987.

Robert has represented the Society on the Show Committee and as Southland Orchid Show Committee Representative for the past ten years or so. Without regard for his own health problems, he often came to meetings with his pick-up truck loaded with plants for the Plant Forum table and the truckloads of background material, props and orchids for the various shows were legendary.

We wish you good health, Robert and look forward to seeing you at the meetings.

NOVICE NEWS

Harriet Liska has reserved Shelter No. 3, just behind the Clubhouse, at Apollo Park, 12540 S. Rives Ave., Downey for the July 7th meeting. The area will be unlocked for us at 10:00 a.m.

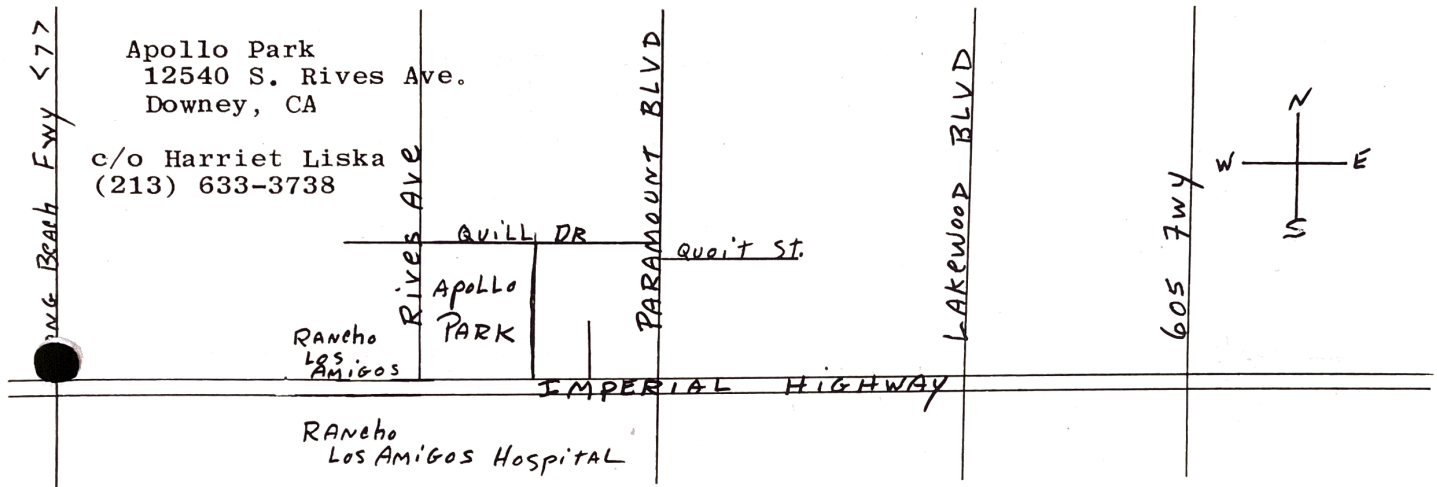

Rives is the next signal after Paramount Blvd. going west on Imperial. There is an off-street parking area just along Rives Ave.

Phyllis Cross and Harriet will provide the refreshments. There are ample benches, so it will not be necessary to bring chairs. Please bring a healthy plant for the drawing.

Sunday, July 7

10:00 - 12:00 noon

Bring a friend

There was a very good turnout for the trip to W. C. Orchids at Fallbrook last month. We want to thank the Cousineaus for their hospitality and their generosity with the certificates.

LAST MONTH

Color was the key word in Don Herman's talk on Cattleyas last month. Don has done some outstanding work in hybridizing and his slides illustrated the results of his work and that of others very beautifully.
