GUESTS

Mr. C.E. Downing of Long Beach was our guest for the December meeting. We hope that he will return.

INFORMATION FOR MEMBERS

Each monthly meeting we have a drawing for plants. These plants are purchased, sometimes from the speakers and sometimes not. For the year 1985 our 1st V.P. Linda Iger had this responsibility. To offset the purchase of these plants we depend upon the members at large to donate money for tickets for the drawing. Sometimes in the past we have not taken in enough to cover the cost. This year, 1985, we are happy to announce this is the first year we have not had a loss. A great deal of thanks must go to Mrs. Iger for holding down the cost, acquiring the best plants possible and thanks to the members that we have a gain not a loss. As a suggestion tell Mrs. Iger thanks next time you see her. It is little enough that we can do.
