LONG BEACH, CALIF.

JUNE 23, 1986
8:00 P.M.

DICK NERIO
PRESIDENT

MR. EARL ROSS

of the

L.A. ARBORETUM

will be the speaker of the month. He has just returned from six weeks in China and Borneo and will be speaking to us about his trip. We are fortunate to be the first to hear of his trip. He will be supplying the plant table and its bound to be great.

Phyllis Cross who passed away June 13th has donated part of her orchid collection to the South Coast Orchid Society and several plants will be brought in each month to be placed on a separate table as part of our plant raffle. The Society and its Members certainly appreciate this gesture she made. She knew that this would help the society.

SALE

We announced last month that we were having a sale on our custom-orchid NAME BADGES. Not one person took advantage of it. We will try one more month. They are selling for \$2.00. See Mrs. Ethel McCallen at the back table at our June meeting. They are not only attractive to wear but then we are not embarrassed to call you by name.

IN MEMORIAM

On the morning of June 13, 1986 PHYLLIS CROSS passed away after a long illness. She is survived by one brother. No services will be held as per her wishes. We will certainly miss her.

MEMBERSHIP DRIVE

How's about bringing a possible new member to our next monthly meeting. As of July 1st new members only have to pay \$6.00 for 1986. We seriously need new members and we urgently need new members that will take part in the governing of your society. Soon the nominating committee will be going to work looking for new officers, directors, and committee people for 1987. We cannot tell you how badly we need people to participate. We need 1st Vice-President (monthly programs), 2nd Vice President (novice classes). We need people on various committees - for example the SHOW COMMITTEE. Anyone will tell you what is involved.

Won't you please let me know if you are willing to serve in some capacity. Call me (Jim Miller) at 213-436-9767 or see me in the back of the room at each monthly meeting. A lot of this can be done with new members. Try at least for one month to bring in one new member each. If each of us would do just that little bit you might be surprised at the people that might like to take part in our society.

We have not had a show committee so far this year simply because those that have been doing it year after year do become ill and we do not have any replacements for them. The show committee has been our life's blood, so to speak. That is where our money comes from so that we can provide the society members with extras.

We have ribbon judging but have you stopped to think who buys the ribbons (your society does), who provides the silver tray at the end of the year (the society does), who furnishes the coffee, punch, cups, sugar, cream at each meeting (your society does). So far this year the show committee has not been operating and we have lost the first or second prize money coming in from them. We have no volunteers. Again, the secret may be NEW MEMBERS.

BRING A NEW MEMBER TO THE NEXT MEETING.

COOKIE SHEET

It would be appreciated if the following members would bring cookies and what have you to the June meeting: Mr.&Mrs. Joseph Gough, Mr. Michael Graeser, Mr & Mrs. John Hanes, Dr. & Mrs. Norito Hasegawa, Dr. Robert Hull, Mrs. Linda Iger, Mr. William Jastram, Mr. & Mrs. Edward Johnson and Mrs. Richard L. Johnston. Thank you very much.

ILLNESS

We were certainly happy to see Mr. Charles Stockham at our May monthly meeting.

We have not heard anymore about Mrs. Charles Bowman but we sure wish to hear a good report soon.,

Mr. Robert W. Greenless we understand is at home but is still seriously ill. Cards from our members would be appreciated.

His address is 1214 S. Alma St. #10. San Pedro, Ca. 90731
