LINDA IGER
President

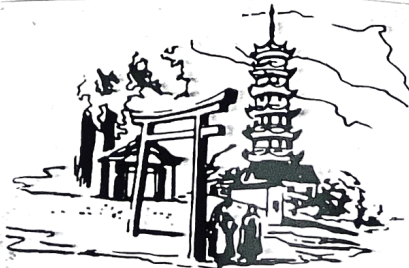

OUR SPEAKER THIS MONTH

is from the judging room and one of our own members and has just returned from the 12th World Orchid Conference in Japan:

DR NORITO HASEGAWA

He plans to let us know about the world orchid conference and what is new in the orchid world. Also, he will tell us about new trends in orchid hybridizing. This is one meeting that should prove very interesting and you should not miss it. We are very fortunate that he has prepared for this for some time. Dr. Hasegawa will also furnish the plant table.

Let us make a good showing so that Dr. Hasegawa will know that we appreciate him. Please make that little extra effort. See you at the June meeting.
