Please call me if you can help - Don Fraser (213) 692-6163

Our honored member this month is Doris Browning. Doris has been an orchid hobbyist since 1954; when her husband bought her their first orchid plant (a large purple Cattleya-she still has a division of it). The hobby grew and grew, finally deserving of a greenhouse. Doris's first greenhouse was made from a hodge podge of old windows sort of fitted together, with a swamp cooler for air circulation. The greenhouse has improved in appearance, but the collection keeps growing.

Some of Doris Browning's likes are: Cattleyas, Cymbidiums, Odonts, orchid species, eating: Chinese food, vegies and marinated mushrooms.

Some of her dislikes are: a thumb that sometimes turns from green to brown, Brats (I agree - Don), hard or acid or punk rock and some of the modern dances.

Be sure to meet Doris at our next meeting.

Thank you,

Don Fraser, President
