We are fortunate to have Dr. Hull speak to us this month about deforestation and the efforts of various laboratories such as his Sunswept Lab. and other groups toward conservation of orchid species.

Dr. Hull will provide plants for the opportunity table. There should be some very interesting and different things from his collection.

LOS ANGELES COUNTY FAIR AT POMONA

Be sure to see the Society's exhibit in the horticulture building when you go to the fair. Closing date is October 1. Under the leadership of Don Fraser, those responsible for this prize-winning effort were:

Pat Rowland
Dr. Phil Plocher
Deeann Fraser

Jane and Paul Brecht
Kathy Moor
Woody Wilson

Helen Powell - we miss her at meetings

Emma Green - who deserves a special citation for providing a gourmet luncheon for the crew.

Dave Toyoshima - our professional artist member who provided the very important drawing keying in names of the various genera for the viewing public.

Charles Bowman - who coordinated our entry and the invitation to enter a display.

AUCTION - OCTOBER MEETING

As mentioned in the August bulletin, we are going to have a plant auction at the October 23rd meeting. This will be our major fund-raising event of the year. It is sincerely hoped that you will donate a plant. Also, it will be the time to acquire something nice and probably at a very affordable price.

MEET THE MEMBERS

Our featured member this month is Charles E. Bowman. He and his wife, Esther, have been members of South Coast Orchid Society for some 35 years - which was when he joined his brother-in-law in the business of selling greenhouses.

Charlie was president of South Coast in 1958 and 1959 and, again, in 1969. He has always had the well-being of the Society uppermost in mind. For the last several years he has been the liason between our Society and the various Shows and Fairs in which we have entered displays as well as always being on hand with shovel, hammer, etc. when the work was being done.

He has been very active in the Orchid Digest Corporation and last year was the recipient of their medal for distinguished service.

In his present capacity as Sales Manager and Consultant for the W. W. McAllister Company, he is the one to call on for all greenhouse-related questions and needs.

LAST MONTH

Everyone enjoyed a bountiful pot-luck dinner and Ned Nash's presentation of slides on past World Orchid Conferences. He also had information about the Conference to be held in New Zealand next year. Arrangements for Ned's appearance were made by Charles Bowman, who very ably made the introduction.

Many thanks, too, to Roy and Ira Field for their generous donation of \$100.00 to the Opportunity Table. The money was won by one of our guests, Carol Ruane.

LAST MONTH'S GUESTS

We were pleased to welcome the following guests and hope they will continue to attend our meetings. At this time of year dues are only \$6.00 and we welcome all who care to join us:

Alan Reynolds - Laguna Hills	Carol Steffan - Lakewood
Ronald Stonge - Long Beach	David Moorhouse - Irvine

SOUTHLAND ORCHID SHOW AT NEW OTANI HOTEL

Dates for the show are October 28 and 29. Once again, flowering plants will be needed for our entry, as well as people to help put it together.

This show is always a very beautiful event in the setting of an impressive hotel in downtown Los Angeles. If you'd like to see the show and then sit a while, we will have sign up sheets for hosts and hostesses to act in two hour shifts. At the conclusion of judging on Oct. 27th there will be a banquet to which all are invited.
