

# South Coast Orchid Society, Inc.

Meets 4th Monday each month - Whaley Park Community Center - 5620 Atherton St., Long Beach, CA

MONDAY - JUNE 25, 1990 - 8:00 p.m.

## ONCIDIUMS AND ODONTOGLOSSUMS

Jerry Rehfield will talk about the orchids that are his current specialty. He's been growing orchids for some 38 years and breeding them for almost that long. During the 23 years that he grew orchids in San Pedro, where he operated a skating rink, he grew Cattleyas almost exclusively. His breeding at that time leaned strongly toward reds and greens in Cattleyas.

Since moving to Carpinteria, where he has a much larger greenhouse, Jerry has expanded into growing and hybridizing Miltonias, Odontoglossums, Oncidiums, etc. Presently, Jerry is Assistant A.O.S. Judging Chairman at our meetings.

## PLANT TABLE

The plant table Jerry will bring will have something for everyone. He grows Cattleyas, Paphiopedilums, Phalaenopsis, etc. as well as the Oncidinae and Odontoglossums.

## REFRESHMENTS

It will be appreciated if the following people can bring something for the refreshment table this month:

## ORANGE COUNTY FAIR

The Orange County Fair opens July 11th and closes July 22nd. We will have two adjoining displays. Their classes are: Garden featuring orchids and Garden featuring tropical plants. Prizes earned at the Fair go toward sustaining our Society and are a very important part of our annual income.

**YOUR HELP IS NEEDED** on Saturday and/or Sunday, July 7th and 8th when the displays will be put together -- both physical help and the loan of your plants: orchids, green plants, tropicals, etc.

Please let Don Fraser know how you can help - either at the June meeting or call him at (213) 692-6163.

We're happy to report that Roy Field is recuperating nicely from open heart surgery. He expects to be able to attend meetings again soon.

We were saddened to hear of the death of Edna Thompson Perez. She and her late husband, Jules, were long-time supporters of our Society.

LAST MONTH

In addition to thanking Seige Watanabe for his talk on Cymbidiums, we want to make special mention of those who donated plants. Dr. Phil Plocher, Paul Brecht and Woody Wilson all placed plants on the Opportunity Table.

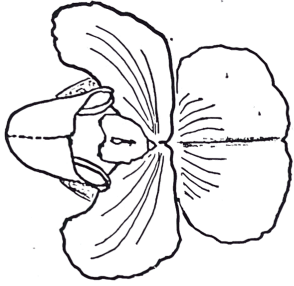

John Hanes, Norman Fang, Emma Green and Paul Brecht donated to the Silent Auction.

These donations really help a great deal!

It's against the rules to enter a plant for ribbon judging and A.O.S. judging the same night - but Doris Browning had no way to know that the A.O.S. judges would come and take a plant off the ribbon judging table and into the judging room and give it an A.O.S. Certificate of Cultural Merit - congratulations, Doris!

GUESTS

Welcome to our guests: Matt Swift of Rancho Cucamonga and Bill Holmes of Long Beach. Hope you come again.
