THIRD MONDAY IN DECEMBER -- DECEMBER 17, 1990 - 8:00 p.m.

BILL BERGSTROM - PHRAGMIPEDIUMS OF PERU

Bill Bergstrom of Bergstrom Orchids in Thousand Oaks has been growing orchids more than 16 years, the last six of which he has been in business commercially. He has made several orchid trips to Mexico, Peru, Panama, etc. and is past president of both San Fernando and Malibu Orchid Societies.

He will cover the culture of Phragmipediums and tell us how to grow them in Southern California. This is the first time this talk has been given on the West Coast. He's going to bring a display of blooming plants for our enjoyment on the "Show and Tell" table.

PLANT TABLE

Mr. Bergstrom promises a variety of plants suitable for all types of growing conditions in our area, with a generous number of them in bloom.

REFRESHMENTS

Special holiday refreshments will be provided by our OFFICERS and DIRECTORS. You will remember from other years the delicious treats at Christmastime.

So -- come a week early - enjoy a display of beautiful orchids - maybe win a plant in bloom for yourself for Christmas - and sample some delicious holiday treats.

HAPPY NEW YEAR

God bless you orchid lovers, may
The New Year bring you cheer,
Not only just for New Year's Day,
But throughout all the year.
May your Problems all be minor,
May your orchids bring you peace.
May they fill your heart with happiness,
And may it never cease.

May your plants all thrive and prosper,
May your insect pests be few,
May you share your blooms with others,
Not as fortunate as you.
May you work with your Society,
So it will thrive and grow,
May awards be in your future,
When you enter in a show.

May you aid the new beginners,
And see that they get started right.
If you have excess divisions,
Share some with a neophyte.
May you have good health and prosper,
May your troubles be but small.
And as we start a brand new year,
God bless you, one and all.

OUR 2nd ANNUAL AUCTION

If you were not there at the last meeting, you missed out on some interesting plants from a successful auction in which we had about 50 participants.

A special THANK YOU to the 32 people who donated plants which made everything a success. We were fortunate to have an excellent auctioneer in NED NASH of Stewarts Orchids who was assisted by our President, Don Fraser.

DUES INFORMATION

Dues are payable January 1st, please try to be on time. Yes, it is still \$12.00 and for those who have mailed your dues, you can pick up your receipts and membership cards at the meeting.

We're happy to say that Paul Brecht is recuperating nicely - he's back at work on a "take it easy" basis. Emma Green is staying close to home these days on orders from her doctor.

NEW MEETING LOCATION

We had to move and our next meeting will be on January 27, 1991 at our new location in the WARDLOW PARK COMMUNITY CENTER, 3457 Stanbridge Ave. in Long Beach. We've had to change our day also to the 4th SUNDAY of the month at a new time of 7 to 9 p.m. A.O.S. judging will begin at 7:00 p.m.

While the new location and the day of the meetings may not be satisfactory with everyone, please give it a chance as our old location will be under a six-month renovation of the buildings. When completed, we surely will have a vote of the whole membership about going back there again. Time will tell how this is all going to work out.

At our new location there is plenty of street diagonal parking and, being a Sunday evening, not too many outside activities will be going on. The map below will show you how to get there and - REMEMBER - the 4th Sunday of the month at 7:00 p.m.
