PAPHIOPEDILUMS - SOMETHING OLD AND SOMETHING NEW

It's a great pleasure to welcome "Doc" Charles as speaker this month. Along with some of the older Paphs, he promises to let us know what is new. Doc Charles has been a leader in hybridizing over the years. In addition, he is well known for his engaging personality and sense of humor.

Plants for the **OPPORTUNITY TABLE** will come from Doc's range. Donations from members are welcome and you will get two tickets for each blooming plant and one ticket for each non-blooming plant donated. There will be a drawing before the regular plant drawing. Plants donated for the **SILENT AUCTION** will also receive these tickets.

REFRESHMENTS

Refreshments at the meetings have been especially delicious and we thank all those who have brought them. The lucky people this month are:

DELINQUENT DUES
