### ORCHID PLANT AUCTION

YOU and your friends, co-workers and neighbors are invited to the annual South Coast Orchid Society Auction. We are very pleased, this year, to have Mr. Ned Nash, President of Stewart Orchids, to be our auctioneer. Ned has a vast knowledge of orchid plants and will be happy to describe the beauty and culture of the plants placed on the auction block. This is a super opportunity to bring home some great finds at attractive prices. There will be a large selection of plants from commercial growers and from our members to choose from. This is also a great opportunity to help our orchid club. Bring along some of your duplicate plants to donate for the auction and bring someone along to bid at the auction.

**Monday, November 25th from 7:30 to 10:00 PM**

**Whaley Park Community Center, 5620 Atherton Street, Long Beach**

#### **News from the Show at The New Otani:**

The show at The New Otani was given rave reviews. In spite of the rainy weather, huge crowds were on hand to admire the many beautiful displays. We were very pleased to learn that two major awards went to South Coast Orchid Society members: Woody & Ann Wilson won "Best Of Section - Denrobiums" and Doris Browning won "Best Amateur". Congratulations

#### **Reflections On Last Month's Meeting:**

Our October meeting featured Mr. Don Herman. Don showed us some beautiful slides and presented the history of the early hybrids that are responsible for the dark purple Cattleyas of today. Thank you Don, for and excellent discussion and for your great plant table.
