**Happy
Holidays**

Whaley Park Center, 5620 Atherton Street, Long Beach, CA

Next Meeting is on Monday, DEC 16th at 8:00 PM

We are very pleased to have the orchid curator of the Los Angeles County Arboretum, Mr. Earl Ross, to be our guest speaker this month. Gloria Wildharber, as her last challenge as First Vice President, was able to convince him to come down to speak about his recent trip to Brazil. Mr. Ross has done a lot of first hand research on the plight and conflicts confronting this land which boasts the world's largest collection of orchids. Do come to hear and see the Brazilian wonders. Earl will be supplying the plant table with very special species and hybrids.

\$\$ EXTRA SPECIAL RAFFLE PRIZE!! \$100 IN CASH FROM AN ANONYMOUS DONOR!! \$\$

It is that time again to renew your membership! Please use the envelope that you received last month or give your check to Art at the meeting.

**Reflections On
Last Meeting:**

Kudos to Ned Nash for a great auctioneering job and kudos to the super generosity of our members and commercial orchid grower friends. We had one of the best auction tables anywhere. A GREAT BIG THANK YOU to those who donated plants and those that worked at the auction, and to those who purchased plants. Our Society deeply appreciates the great support. We will give you the auction results at the meeting.

Refreshments:

Continuing a tradition set over the years, the December Meeting refreshments will be provided by the Officers and Directors of the South Coast Orchid Society.
