Speaker for April 27, 1992 Meeting:

Our April speaker will be John Miller. John is an AOS judge and the owner of Miller's Orchids and Flasking Service in Anaheim. Tonight, he will be speaking on the the culture of Phalaenopsis. Come listen to some growing techniques for this beautiful orchid which can easily be grown in the home or greenhouse.

Reflections On Last Meeting:

The March meeting featured Dick Swift, owner of Swift Orchids in Alta Loma. Dick spoke on seedling culture. He shared some of his wonderful knowledge and gave us a lot of practical advice to help us grow our next "award winner". Thank you, Dick, for a very informative evening and we look forward to your April 25th Open House in Alta Loma. Call Dick at (714) 987-9355 if you need directions.

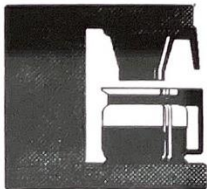

We were very pleased to have Catherine Lee of "Catherine's Orchid Lab in Studio City visit us. Hope that you come back soon and join our society.

Plant table donations in March were made by: Dr. Phil Plocher, Jim Thresh and the Santa Barbara Orchid Estates. Thank you, one and all, for being so generous.

Member News:

The Newsletter will not be sent this month to those who have not, as yet, paid their 1992 dues.
