Guest Speaker for June 22., 1992

We are pleased to have as our June speaker, Jerry Rehfield. Tonight, Jerry will be speaking on Odontoglossums and allied Genera. These plants originate in the high altitudes of Latin America, from Mexico to Brazil and are generally considered to be cool-growing. Join us tonight as we see some beautiful specimens and hear from an accomplished grower, frequent Award winner and AOS judge.

Our May speaker was Jimi Fox of Orchid's Limited, 407 E. Carson St., in Carson. Jimi has been growing orchids for a long time and he shared some pictures and culture ideas on some prize winning plants that we would all like to have for our collections. Thanks, Jimi, for a great presentation and a super plant table. Jimi also invited all to his "Super Summer Cymbidium Sale" on June 27th and 28th at Orchids Limited in Carson.

Reflections On Last Meeting

Our New Roster is now ready. We would like to save postage, so try to pick up one up from Art McCann at a meeting. Also see Art for an interesting article on mealy bugs.

Thanks, Jan Evellsizor, for visiting us at our meeting and a Big Welcome to our new Members Thang & Thuan Nguyen and a welcome back to John & Jane Tanton.

Plant table donations were made by Helen Congleton, Alberta Booth, Dr. Phil Plocker and Espie Quinn. Thank you one and all for helping our plant table and our club.

IN MEMORIAM

Our society as well as the Orchid community has lost a good friend. It is with deep sadness that we inform you that Ed Rucker passed away on June 4, 1992.

STEWART ORCHIDS' SAN GABRIEL FACILITY TO CLOSE

EXCLUSIVE -- Rising property values and the developers have finally caught up with Stewart San Gabriel. Sunday, June 28, 1992 will be this historic facility's last day in business. Stewart Orchids continues at our Westside location in Culver City (3838 Sepulveda Blvd., 310-390-2576) and in Carpinteria (3376 Foot-hill Rd., 805-684-5448 or 800-831-9765). Both our Westside and

Carpinteria stores will continue to carry a full line of quality orchid plants and the orchids supplies that have made Stewart Orchids famous over the years. ■

RICARDO MENDEZ, LONG-TIME STEWART EMPLOYEE, OPENS NURSERY

Our customers will be happy to learn that their old friend, Ricardo Mendez, will be opening and maintaining a facility right next to our old San Gabriel location! Ricardo says "I hope to continue to carry Stewart supplies and their beautiful blooming stock. Catalog items will also be available." We know that Ricardo is as committed to the Stewart Tradition of Service as we are and invite you to drop by and visit, or call 818-285-7195. ■
