### Guest Speaker for July

The July SCOS Program will feature Mr. Joe Miskimens. Joe owns Miskimens Orchids in Sylmar and is a reknown hybridizer of Phalaenopsis Orchids. The Program tonight promises to be most helpful to all of us in our often futile attempt to fight the many pests who just seem to zero in on our best plants. Joe will be speaking tonight on a multifaceted approach to the control of insects. Bring a notepad and don't forget that raffle table, which will be brimming with some of Joe's special plants.

### Reflections On June's Program

Last month at our June meeting, we had the pleasure of hearing Jerry Rehfield speak to us on the Odont Alliance. We got a lot of very helpful ideas on the care and feeding of plants in the Odont family and were treated to some exceptional slides of these beautiful orchids. Thank you, Jerry, for your presentation and great plant table. Jerry also invited us up to his nursery at 7305 Shepard Mesa Road in Carpinteria to browse through his plant offerings. However, don't forget to call first, since visits are by appointment only. His number is (805) 684-3344.

### Renewal

Welcome back, Brian & Karen Danker of Yorba Linda, to the SCOS.

### Plant Table Donations

Our plant table donors for June were very generous. A great big thank you goes to: Pat Rowland for Broughtonia hybrids, Helen Congleton for a Denrobium Hawaiian King 'Giant', Margo Steinman for a Cymbidium 'Mimi', Ann & Woody Wilson for four Cymbidiums, Dr. Plocher for six Plants, Ursula Pontius for six Plants, Espie Quinn for 2 Plants and Indoor Gardening Supplies for a Humidity & Temperature Indicator and a Moisture Meter. Thanks again.
