Guest Speaker for August

Our August program will feature a discussion on the culture of Phals by Mr. Ernie Campuzano of Butterfly Orchids in Thousand Oaks. Ernie is certainly a familiar face around our club meetings. Almost every month he brings some of his prized plants to show and sell. We are in for a real treat this month as Ernie shares some of his vast knowledge with us and also supplies the plant table with some of his great plants. Don't miss it and don't forget to buy lots of raffle tickets.

Reflections On July's Program

Mr. Joe Miskimens, of Miskimens Orchids in Sylmar, was our guest speaker for July. Joe gave us a lot of very good advice how to get rid of those pests which can destroy our plants so quickly. This year has been especially bad with the wet winter and the hot and humid summer, and Joe's talk was very well received.

Orange County Fair Results

The Orange County Fair was a big winner for our club. Dr. Plocher was very pleased to announce that SCOS got a First Prize on one display and a Second Prize on the other. Everybody at SCOS is very proud of the work performed by our Show Team and the \$1,000, after expenses, will certainly help our treasury.

A Great Big Thanks to the SCOS Show Team including: Don Fraser, Charlie Bowman, Ann Wilson, Dr. Phil Plocher, Whitney France, Julie Scheuring, Ursula Pontius, Paul Brecht, George and Maureen Cooper.

Ribbon Judging

Alberta Booth is still recuperating and has requested to step down as Ribbon Judging Chairperson. Helen Allen has accepted the post effective with the July meeting. Thanks Alberta for a job well done, and thanks Helen for taking over.
