Richard Swift speaks at Our Next Meeting on SEP 26, 1994 @8 PM

August Meeting Recap

The August meeting was to feature Dr. Hull, who at the last minute had to cancel due to illness. However, George Cooper did not let us down. He got on the phone and didn't quit until he got us a speaker. We not only got a great talk but were dazzled by some of the greatest orchid slides ever taken. Now who else but the team of Red & Trudi Marsh could get together such a great presentation and super plant table on such short notice? Thanks again to Red, Trudi & George for a great show.

September Speaker

For September, we will have Richard Swift of Swift Orchids in Loma linda. Dick will be giving us some culture lessons as he shares some of his vast knowledge of Cattleya Orchids. We are all looking forward to a most informative evening and a Super Plant Table. Don't miss it.

Visitors

A BIG welcome to August Visitors Marguerite Youry of Long Beach and to Sue Wilson of Seal Beach.. Hope to see you again real soon.
