South Coast Orchid Society Newsletter April 1996

Next meeting
April 22 at 8:00 p.m.
Speaker: Andy Easton
Plant Table: Orchids, Ltd

April Program Comments: Andy Easton's Topic: So you really want to talk about Orchids? In the South Pacific, just south east from the ocean floor of the New Caledonia Ridge resides the northern portion of the country of New Zealand. This is called the North Island. Nestled in its north central region, shadowed by the mountains of the Volcanic Plateau, one can find Rotorua, home of Geysers and Orchids. This internationally famous nursery is owned by Andy Easton.

Not since the discovery of New Zealand by Abel Janszoon Tasman and the precise charting of the Islands by Captain James Cook, has anyone made such an impressive impact as Andy Easton. The countries natives, the Maori People, (Which Means: Normal People), spin countless tales, about this world renown hybridizer. You will have an opportunity to meet, listen and engage in truly invigorating conversation with one of the giants in the industry. Don't miss this event and prepare to have fun!
Jimi Fox, First Vice President

President's Comments: In March we had a real treat with Trudi and Red Marsh. The real photographers got the details of how to take great orchid pictures. The rest of us got to see many rare tiny orchid blooms blown up so that we could really see the detail and beauty of the individual flowers. Thanks go to the Marshes.

For those not at the meeting, we adopted the revised by-laws as presented by the by-laws committee. Thank you Tony Glinkas and the by-laws committee for a two year effort.

I received an answer from Zuma Canyon Orchids about the picnic at Zuma Canyon Orchids this spring. They have set aside Saturday, May 11th for the South Coast Orchid Society to visit Zuma Canyon Orchids and picnic with them. We will be asking for a sign up so they can know how many to prepare for. They are offering 40% discounts on all seedlings and mericlones listed in their 1996 catalog if you order at least one week before the picnic. Community pots are 30% off. Each member can call in or write in an order and the plants will be waiting for them all invoiced on the day of the picnic. If you wish to buy blooming plants or other plants on May 11th, the discount will be 20%. I will have a sign up sheet at the April meeting. The charge for the picnic will be \$10.00 and each person will get one size one seedling free. Anyone not able to be at the April meeting can call me at 310-498-6420 and I will put your name on the list. We will discuss car pooling at the meeting. For catalog information and ordering you can call or write Zuma Canyon Orchids, 5949 Bonsall Drive, Malibu, California, 90265. 310-457-9771 Fax 310-457-4783.
