June Program: Gary Cooper steps into the middle of Main St. His hands are steady, his weapon comfortably hugging his hip. Alone, yet not alone, he steps forward with confidence to meet destiny! A Hero at "High Noon!"

Another Hero will step onto center stage in June. His hands will be steady, his voice will be strong and never waiver. His confidence will be evident, but certainly more evident will be his confirmed sincerity to inspire, educate and give us purpose in our endeavor to grow the finest Phalaenopsis possible. I have always referred with affection to Mr. Bob Gordon as the "Phalaenopsis Guru!" He shares his wisdom and knowledge freely. he believes that far more important than a great Phalaenopsis is great Phalaenopsis growers.

Come and enjoy this great charismatic speaker and author. Bring paper and pencil to take copious notes. Bob Gordon, alone, yet not alone will step forward with confidence to help each of us with the destiny of successful Phalaenopsis growings! Yea, I truly believe that Bob Gordon would definitely be the kind of "High Noon" character Gary Cooper would want to cover his back! Or...guide him tin successfully growing "Phalaenopsis, A Real Orchid!" Comments by Jimi Fox, First Vice President

Comments from The President

I would like to thank Mr. George Vasquez and his wonderful staff at Zuma Canyon Orchids in Malibu. The personal attention, great food and hospitality given to the twenty members, friends and family of the South Coast Orchid Society during the picnic at Zuma Canyon on Saturday, May 12th was Outstanding.

Thanks, George, for being such a gracious host and for bringing some additional seedlings for our plant table at our May meeting.

Thanks to Mr. Jerry Rehfield for an informative program on Odonts and the intergenerics of that tribe of orchids. In addition, Jerry brought an outstanding plant table for our raffle. Thanks again.

This month, we will be asking members to sign up to help and to loan plants for the Orange County Fair exhibit. I will have a definite date for putting in the exhibit at the time of the meeting.

See you on Monday the 24th of June.

Phil Plocher, President
