# South Coast Orchid Society Newsletter July 1996

**July 22 at 8:00 p.m.**

**Speaker: Mystery Guest**

**Topic: Repotting Cymbidiums**

**Plant Table: Orchids Limited**

## Comments from The June Meeting and Beyond

The South Orchid Society proudly presented Bob Gordon on June 24. What a pleasure it was to have heard this famous grower, writer, lecturer and Guru of Phalaenopsis. Thank you Bob, and thank you Jimi Fox for arranging this presentation and for providing the Plant Opportunity Table.

We extend a big welcome to new members Judy Parker and Patricia Stevens. Glad to have you aboard.

Thanks to all those who agreed to donate plants and assistance for our exhibits at the Orange County Fair. We won a First Prize Ribbon for our outdoor exhibit and a Second Prize Ribbon for our indoor exhibit. Have you seen it yet?

## July Program

**Sheik Yer Bouti**  
**Royal Repotting or Divine Dividing**

While the world watches with curiosity as to the developments in the Arab World, we here in Southern California await for the arrival of an Arabian Royalty of sorts. We will be privileged to have a desert Sheik, allegedly considered in circles of various credibility, as one of, if not the most profound authority in Repotting and dividing Cymbidiums in the world. This will be a hand-on demonstration and open forum.

We will have the rare opportunity to be exposed to the in-depth knowledge of Sheik Yer Bouti. It is said that he has held court over thousand of Repotting session in the art of Cymbidium dividing and Repotting. The Sheik's knowledge's is vast, like the many grains of sand in the Sahara.

Although well traveled, this will be the Sheik's first ever engagement in America. So if you have ever had any questions on the proper procedures and techniques in Repotting Cymbidiums this will be one session you won't wish to miss. The Sheik has called upon Orchids Limited to provide both the Repotting plants, skilled assistance and the plant table.

Jimi Fox, First V.P.
