Comments from The President Jimi Fox has done it again! In July, we had Skeik Yer Boutie from the Mid East give a program on Cymbidium culture and repotting and he didn't ever speak!!! Through Jimi's special talents of telepathy, he conveyed to us all the salient points of potting and few new concepts not practiced widely such as using dry mix and repotting in late summer. There were also a lot of laughs with this lively program. Thank you Jimi.

I would like to give a special thanks to: Tony Glinskas, Nancy & Henry Blaes, Espi Quinn, Kajon Peloha, Jim Thresh, Clem Fromlath, Ann Wilson, Charlie Bowman, Em Green, Whitney France, Pat Rowland, Paul and Jane Brecht, and yours truly for devoting time, energy, plants adnrops to our two exhibits at the Orange County Fair. One First Place and one Second Place award will net us about \$1,000 to our treasury! This and the annual auction are the main sources of income for our Society.

Remember to set aside plants for our auction in October and mark your calendars for the April 4, 5 & 6, 1997 for the South Bay Pavilion Orchid Show in Carson, which we are helping to sponsor. We also need someone to step forward and volunteer to be editor of our newsletter. Tony Glinskas is going to have to give it up. Please contact Tony or me. *Phil Plocher, President*

Dick Swift will speak on August 26th, 1996 "Greenhouse Improvements. (Not a Sitcom!)"

In the quest for "Home Improvements" there are countless means of both information and individual who can assist in the perfect dwelling. However this is not always the case with what we Orchid Enthusiasts refer to as "Greenhouse Improvements".

Greenhouse conditions vary from one to another. Elements that influence these conditions include locations and structural formation. One of the foremost authorities of many aspects of Greenhouses is the one and only Dick Swift, the owner of Swift Orchids in Alta Loma.

Dick is not only one of the very finest Orchid Growers in Southern Cal, he is also a knowledgeable Greenhousitorian. He is well versed in Greenhouse growing and Greenhouse Conditions. So, jot down all those questions you have always wanted to asked, because the man with the answers will provide all the information our Greenhouse need to flourish and our Greenhouse Orchids Need to live. See you Monday Night August 26th, 1996. *Jimi Fox, 1st Vice President.*
