## Auction

Monday, November 25, 1996  
Whaley Park Clubhouse - 7 P.M.  
Annual Auction of Orchid Plants  
by the South Coast Orchid Society

As you look around this November meeting, Behold there will be no guest speaker. Why? Because it is "Auction Time"! I always love auctions because it is great time to pick up wonderful plants at wonderful prices!

We are especially fortunate to have two of the funniest, albeit most knowledgeable Orchid Auctioneers around to guide us through this great event. The effervescent Tony Glinskas and the always charming Bill Austin. These two characters are better than a Mud Wrestling Tag Team! So grab up the ladies, snag up the guys, pack up the babies and come join the fun at the

South Coast Orchid Society Fall Auction!

Jimi Fox, 1st Vice President

### President's message.

George Cooper gave an excellent presentation on the growing of Phalaenopsis and other genera indoors under lights. Over the years he has learned the most cost effective materials and lights to use and has developed good cultural tips for this type of growing. Thank you, George.

This month is **Auction Time**. The auction begins at 7:00 PM so come early and bring your plants to contribute to the event. We will be ready to check in plants at 6:00 PM. Bring your friends and be prepared to have fun bidding on and buying orchids for your collection. In addition to the nominating committee report, we will accept nominations from the floor at the beginning of the meeting. There will be no Ribbon Judging in November.

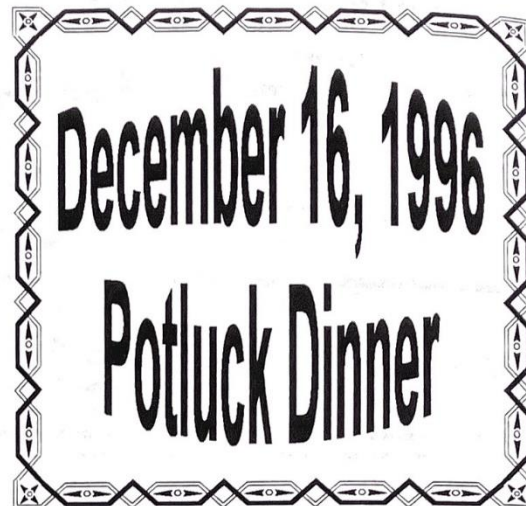

See you on the 25th.

Phil Plocher, President
