January Program
Monday, January 26, 2004
8:00 p.m.
The South Coast Orchid Society Proudly Presents
Speaker Espie Quinn
"FORTY SPECIES EVERYONE SHOULD HAVE IN THEIR GREENHOUSES"
 (An Orchid Digest Slide Program by Fordyce "Red" Marsh)

Espie Quinn will present a program prepared by the late Mr. Fordyce "Red" Marsh on orchid species at the top of his list. If you had to be selective and could only collect 40 plants what would they be? Why not learn which species made it to "Reds" Top 40. So bring your pen and paper and be prepared to ask questions after the slide presentation.

The presentation will be made by one of our esteemed SCOS members and longtime orchid enthusiast, Espie Quinn. Espie has been growing orchids (she loves species) for about twenty years and has graciously agreed to be our program host and speaker for what should be an informative and interesting species event.

The plant table is being provided by Tony from "Orchids Land" and will include selected plants directly from the "Top 40" list. See his business advertisement on Page 3. Should be a wonderful way to start the New Year. Hope to see you there.

November Auction

The November Auction had a wonderful turn out. *Thank you* to all the growers and members that donated plants that helped the South Coast Orchid Society to exceed our goals.

Special thank you to the following members that donated plants for the auction:

President's Message

Happy New Year. We ushered out 2003 with a beautiful banquet at our December meeting prepared by our very own kitchen scullion Dr. Jim Miller. Jim always does an outstanding job of getting everyone in the Christmas spirit, this year was no exception. We concluded the evening with some Christmas carols led by yours truly (next year I will practice the guitar a little more).

Thanks to all our members and friends who came out and enjoyed a relaxing evening of eating and singing and visiting with friends.

I would like a good turnout at the January meeting, because we need everyone's participation at the Fascination of Orchids Show. See you all at the meeting.

John Reyes
President

Fascination of Orchids – Show

We will be needing volunteers to support SCOS activities at the Fascination of Orchids Show. **Member Plant Sale Table and SCOS Orchid Display.**

We will be having a member plant sale table. For this activity all you have to do is man the table and cash box. All the member plants have tags and you only have to take the payment which is cash or check only and remove the tag from each of the plants that are sold. Phil Plocher will have a sign-up sheet for the SCOS member plant sale table and plant tags if you would like to sell plants at the show. We will explain the procedure for selling your plants at the January meeting. For all member plant sales 75% goes to the seller and 25% goes to our society. It is an opportunity to thin out your collection so you can collect more.

Also, we will be putting in our society orchid display. All members are welcome to come and help or watch to see how we put a display together. We will put in the display on Wednesday, February 4th, starting at 5-5:30 pm. If you have nice plants for the display bring them on Wednesday night to our display table, you can get the location from the show office. Also if you would like any of your plants formally judged you can pick up the forms at the show office on Wednesday. I will provide more details at the January meeting.
