SCOS Board Meeting All Welcome Monday, November 18, 2024

We will be holding a board meeting in lieu of the regular schedule of a speaker, display, and raffle. Why? It has not happened before that I am aware of, but most of us thought the meeting was going to be on the 25th, and planned that way. It turns out the room we normally occupy was not available on the 25th, so we were scheduled by city Parks & Recreation to be in the room on the 18th. So, we will hold a board meeting instead on the 18th. Everyone is invited to attend the board meeting. We will not have a speaker as such, will not have judged orchid displays, and will not have a raffle. (One caveat is that anyone wanting to bring orchids to show and tell can do so, and it will be appreciated.) We will meet at the normal time.

President's Message

Last month Tim Culbertson gave us a thorough review of new directions in the breeding of *Zygopetalum* hybrid orchids. Tim as always was a very dynamic and enthusiastic speaker whose talks kept us informed and engaged. The invitation to this month's board meeting is open to all. Come help us look forward to 2025 and the future of SCOS.
