

Carl and Imogene Keyes Hybrid Registrations

Revised March 9, 2025.

I. Originated and Registered by the Keyes

1. Phalaenopsis Diane Leslie (Phalaenopsis Ronnie Wilson x Cabrillo Star), 1967
2. Slc. (now Cattleya) Colorific (Cattleya Psyche (1902) x Helen Veliz), 1971
3. Doritaenopsis (now Phalaenopsis) Coral Lady (Phalaenopsis Coral Gleam x Lavender Lady), 1974
4. Phalaenopsis Dots Violet (Phalaenopsis Violet Glow x *corningiana*), 1974
5. Phalaenopsis Dusky Rouge (Phalaenopsis Satin Rouge x *Ambomanniana*), 1974
6. Doritaenopsis (now Phalaenopsis) Intensity (Phalaenopsis Inspiration x *violacea*), 1974
7. Phalaenopsis My Fancy (Phalaenopsis Inspiration x *corningiana*), 1974
8. Phalaenopsis Pink Frost (now correctly Pink Frost (1974), to distinguish it from what was registered as Doritaenopsis Pink Frost, which should now be called Phalaenopsis Pink Frost (1982)) (Phalaenopsis Ronnie Wilson x Star of Rio), 1974
9. Paphiopedilum Carimo (Paphiopedilum Carl Keyes x John Dovan), 1975
10. Paphiopedilum Imogene Keyes (Paphiopedilum Milionette x W. N. Evans), 1975
11. Paphiopedilum Brian Bevis (Paphiopedilum *philippinense* x *acmodontum*), 1976
12. Paphiopedilum Jeffery Bevis (Paphiopedilum *rothschildianum* x *acmodontum*), 1976
13. Paphiopedilum Carimo Reward (Paphiopedilum Chans Temple x Winston Churchill), 1977 (probably the same plant shown in the slides as Paphiopedilum Temple Hill 'Carimo', corresponding with the parentage of Carimo Reward; no award slide found for the Keyes' awarded cultivar 'King's Ransom' in December, 1976, but there is a later CSA award slide for a different cultivar with similar markings)
14. Paphiopedilum Kenneth Marple (Paphiopedilum *philippinense* x *fairrieanum*), 1977
15. Paphiopedilum Serene (Paphiopedilum Halo x Crescent Meadow), 1977
16. Paphiopedilum Carimo Crimson (Paphiopedilum Carl Keyes x Firebrand), 1978

17. Paphiopedilum Fair Red (Paphiopedilum fairrieanum x Redstart), 1978
18. Paphiopedilum Glowing Gold (Paphiopedilum Hellas x Gold Luna), 1978
19. Paphiopedilum Luclava (Paphiopedilum Lucid x Balaclava), 1978
20. Paphiopedilum Mellow Moon (Paphiopedilum Hellas x Golden Moon), 1978
21. Wilsonara (now Oncidium) Groana (Oncidium Solana x Grouse Mountain), 1981
22. Wilsonara (now Oncidium) Liz Marple (Oncidium Tiger Butter x Guinea Gold (1966)), 1982

II. Originated by the Keyes and Registered by Others

1. Blc. (now Rlc.) Pittsfield (Cattleya Mrs. Pitt x Rlc. Goldfield), 1970 (reg. J. H. Mathis)
2. Blc. (now Rlc.) Pacific Lass (Cattleya Betty Bracey x Rlc. Pacific Gold), 1982 (reg. Armacost & Royston)
3. Odontioda (now Oncidium) Tim Brydon (Oncidium Florence Stirling x Memoria Ernesto Alvarez), 1984 (reg. Robert M. Hamilton)
4. Odontioda (now Oncidium) Little Egypt (Oncidium Grouse Mountain x McNabianum), 1985 (reg. Robert M. Hamilton)
5. Odontocidium (now Oncidium) Helmut Röhr (Oncidium Goodale Moir x Hallio-Crispum), 1985 (reg. Okika)
6. Odontioda (now Oncidium) Helen and Irene (Oncidium Helen Brough x Irene Williams), 1985 (reg. Robert B. Dugger)
7. Odontoglossum (now Oncidium) Parkay (Oncidium Golden Girl x Golden Glacier), 1985 (reg. Robert M. Hamilton)
8. Rlc. Free Gift (Cattleya Mardi Gras (1967) x Rlc. Gift), 1985 (reg. Koch Orchids)
9. Paphiopedilum Bright Raven (Paphiopedilum Brighteyes x Ravenswing), 1986 (reg. Orchids Royale)
10. Paphiopedilum Deena Nicol (Paphiopedilum philippinense x glanduliferum), 1987 (reg. Paphanatics Unlimited)

III. Originated by Others and Registered by the Keyes

1. Paphiopedilum Karen Gwinn (Paphiopedilum Gantling x Clarice), 1966 (orig. Rod McLellan Co.)
2. Paphiopedilum Carl Keyes (Paphiopedilum W. N. Evans x Firebrand), 1968 (orig. Ben O. Bracey)
3. Odontioda (now Oncidium) Crislette (Oncidium Charlette x alexandrae), 1975 (orig. Charlesworth & Co.)

IV. Unregistered Hybrids Found in the Keyes' Slides

1. Ascocenda (now Vanda) (Piswong x Vanda sanderiana), 3 slides, March-May, 1976.
2. Ascocenda (now Vanda) (Vanda sanderiana x Ascocenda Wilas, 1 slide, May, 1976.
3. Blc. (now Rlc.) (Bc. (Lotus x Lc. Cameronian), 1 slide, December, 1970.
4. Blc. (now Rlc.) (Bobby Ward x Lc. Wine Festival), 1 slide, October, 1970.
5. Blc. (now Rlc. ?) (Lc. Neham (slide label says Nehean) x Blc. (?) Sunstar '131'), 1 slide, October, 1963, pollen parent unknown.
6. Colmanara (now Oncidium) (Odontonia Debutante x Oncidium hastatum), 2 slides, January, 1977.
7. Colmanara (now Oncostelopsis ?) (Oncidium sphacelatum x Odontonia Harlequin), 2 slides including HCC/AOS award slide, August 14, 1978.
8. Cymbidium (Pam x Blue Smoke), 1 slide, January, 1966.
9. Doritaenopsis (now Phalaenopsis) (Phalaenopsis lueddemanniana x Doritaenopsis Coral Gleam), 2 slides, December, 1972.
10. Lc. (now Cattleya) (Faith Dee Fanchaly x Cattleya Nigrella), 2 slides, September, 1971.
11. Lc. (now Cattleya) (Mardi Gras x Cattleya leopoldii alba), 1 slide, September, 1973.
12. Odontioda (now Oncidium) (Odontoglossum Alimo x Odontioda Fremar), 1 slide, July, 1975.
13. Odontoglossum (now Oncidium) (Edwarcus x crispum), 2 slides, June, 1975.
14. Odontoglossum (now Oncidium) (hallii x Jackie Gleason), 2 slides, March, 1972.

15. *Odontoglossum* (now *Oncidium*) (*harryanum* x First Snow), 2 slides, August, 1974.
16. *Odontoglossum* (now *Oncidium*) (Ocean Falls x Grand Tetons), 1 slide, September, 1976.
17. *Paphiopedilum* (*fairrieanum* x Utgard), 1 slide, November, 1974.
18. *Paphiopedilum* (Hamish McLeod x Balaclava), 1 slide, April, 1973.
19. *Paphiopedilum* (London Wall x Hellas), 1 slide, February, 1972.
20. *Paphiopedilum* (*niveum* x *victoria-mariae*), 1 slide, May, 1976.
21. *Paphiopedilum* (Red Admiral x Chans Temple), 1 slide, August, 1976.
22. *Paphiopedilum* (Santa Monica x Margaret McCaull [=MacCaull]), 1 slide, very long stem, January, 1971, pod parent unknown unless it is an error for *Paphiopedilum* Santa Margarita.
23. *Paphiopedilum* (Snow Bunting x Crescent Meadow, 1 slide, December, 1977.
24. *Phalaenopsis* (*Ambomanniana* x Golden Glow), 2 slides, June, 1977.
25. *Phalaenopsis* (Mrs. J. H. Veitch x Pink Chiffon), 1 slide, November, 1971.
26. *Phalaenopsis* (Mrs. J. H. Veitch x Pink Formal), 2 slides, September, 1971.
27. *Phalaenopsis* (Pearly Pink x *Ambomanniana*), 2 slides, January, 1973.
28. *Phalaenopsis* (Pink Symphony x *amboinensis*), 1 slide, February, 1972.
29. *Phalaenopsis* (Zada x Hans Burgeff), 1 slide, January, 1971.

The unregistered hybrids need to be checked against the Keyes' "stud books" to verify that they actually made the crosses, that the crosses were successful, and that the dates of the crosses and the slides are feasible. It is possible some of these crosses were made by others, but they should still be considered for registration.
